November Newsletter

Dear Kidstop Families-

Here are a few updates and reminders for the month of November.

Kidstop Closed

Kidstop will be closed on Thursday, November 24th and Friday, November 25th.

Non School Day Coupons Due

The next Non School Day will be Friday, December 2nd. This is for K-6th grade children. If you are not signed up for all Non School days, and you would like your child to attend this day, please hand in your coupon with payment no later than Thursday, November 17th. All late coupons will be placed on a waiting list.

Absence Reporting

As a reminder, if your child will not be attending Kidstop for the day, please call us to inform us. Please call us directly, as we do not receive notices about absenteeism or early dismissal from the school office. Each day we need to account for the whereabouts of every child and this will greatly help with this process. Our direct number is (763) 315-7673. We thank you for your cooperation!

Tuition Reminder

Please be sure you are turning in your tuition payment each Monday. You can also pay bi-weekly or monthly.

Efficacious Learning Activities

We have done many efficacious learning activities this month including child run gym games, planning of community service ideas, and many art projects. We look forward to many more efficacious activities!

Kid Picks Classes

There will be an upcoming Kid Picks class in the afternoon. These classes are run by Kidstop staff, and are free for all Kidstop children. Please watch the parent area for more information on the upcoming class.

Outdoor Play

As the weather is getting chilly, please be sure you are sending warm, outdoor clothing with your child each day for outdoor play. We go outdoors each day after school.

Program Manager Information

Our program manager is Seth Ryan. He can be reached by calling the site at (763) 315-7673, or you can leave him a voicemail at (763) 391-7216. If you have any questions or concerns, please feel free to call him.

We hope you have a great month! Please feel free to call us at (763) 315-7673 or speak with us regarding any questions or concerns.

Thank-you!
