School Breakfast

Osseo Area Schools takes pride in offering a delicious and nutritious breakfast each day. We offer a variety of food items daily such as pancakes, waffles, cereal, breakfast bars, eggs and much more. There is also a selection of fruit, fruit juice and fresh milk available daily.

Research shows that starting the day off correctly with a hearty breakfast significantly impacts test scores as well as the ability to learn in school.*

We ask that you please encourage your child(ren) to stop down to the school cafeteria and take advantage of this meal. If your student does not know their universal pin number, ask them to please talk to the school cashier and they will be happy to provide it for them.

If you have any questions or concerns regarding breakfast, please feel free to reach out to the nutrition manager or the lead cashier at your child's school.

Students qualifying for Free or Reduced Price meals, as well as **all** kindergarten students, can receive a breakfast **at no charge.**

Paid Students pay \$1.55 at the elementary schools, and \$1.60 at secondary schools.
