Hola! Shalom! Privet! Sabaidee! Hello! Namaste! Salut! Hullo! Ha'u!

BACKSIDE OF NEWSGRAM: Please see the back side of the newsgram for next year's 2017-2018 school year calendar.

MINNESOTA READING AND MATH CORPS: MN Reading & Math Corps offers support to students in grades K-3 in reading and grades 4-8 in math. Annually we recruit new members for this very important work. MN Reading and Math Corp members receive extensive training and support from onsite coaches. Mentors are paid a living allowance and are eligible for an education award of up to \$5,800.00 to pay tuition or repay qualified student loans. Tutors 55 or older may gift the award to a child or grandchild. To learn how to get involved go to www.readingandmath.net Positions start in August for the 2017-18 school year.

MCA TESTING: Our students in grades 3-5 continue to take their MCA tests. Please continue to monitor your child's sleep on these nights and make certain they have breakfast at home, or eat breakfast at Crest View. We want every student to have the optimum testing opportunity.

ARE YOU MOVING? Are you planning to leave Crest View? We hope not, but if you do have a life change requiring you to move, please fill out the pink flyer in today's Wednesday envelope and return it to the school office.

BIKES AT SCHOOL: It is bike riding season again. We want to remind students that they need to bring a bike lock to secure their bike. The school is not responsible for lost or stolen bicycles, so students may want to consider leaving their bike at home. Students who choose to ride a bike should practice safe riding, including wearing helmets, stopping at stop signs and lights, and crossing only at controlled intersections with a crosswalk and lights. We care about the safety of your child.
