WELCOME BACK

Dear Crest View Families;

We are excited to welcome you back to a new school year. One of our main goals is to secure positive working relationships with our families. We want to offer you many ways to connect with us: Open House, parent/teacher meetings, volunteering, family events, field trips, classroom visits, lunch with your child, music programs and assemblies. Our family involvement committee plans many family events for you to attend throughout the school year. Please check your child's Wednesday envelope each week for more information on ways you can connect with us.

Entering my 15th year as your principal, it is my privilege to serve our wonderful community of learners. Please know I take your satisfaction with your child's (childrens) school experience as my highest priority. Please contact me with questions, concerns or kudos at 763-561-5165.

At Crest View we strive for equitable academic achievement for all students. It is our goal to develop confident, courageous and competent students so they can achieve their dreams, contribute to community and engage in a lifetime of learning.

CREST VIEW "SUCCESS CARDS": At Crest View, our ***"Success Card"*** system works based on the same process that makes relationships between child and adult successful. Because many children look to adults as authority figures, the ***"Success Card"*** system provides students frequent feedback from their teacher on how well they are meeting expectations. The system is created to assist the student to achieve at higher levels that they would not normally be able to reach on their own. The system is strengthened when parents review and talk with their child about how they were graded on their ***"Success Card"*** each day. The ***"Success Card"*** system is an important tool in how we develop our students under an expectation of high performance. We strive to provide students many opportunities to be recognized for their academic and behavioral success in school every day.
