"SPOTLIGHT" IS ON MRS. GLUEK: I am the school social worker for Crest View Elementary. I grew up in Rochester MN, and have lived most of my life in Minnesota. I come from a large family, as I have five sisters, and one brother. My husband came from a family with 14 children! We only have three children, who are now in high school and college. I went to school for social work in New York and lived there about ten years before returning to Minnesota. I love working at Crest View as it is an honor to work with our students and families. I enjoy helping students find their strengths in the classroom and with their friends. It is a thrill to watch students meet their goals both academically and socially. Family events, like Family Bingo and Cultural Day are exciting to plan and attend as Crest View's social worker. I love having our Crest View families in the building sharing in the excitement of learning with their children. Other fun facts about me include my past time of biking the Minneapolis trails in the summer and fall months. As winter approaches you can find me cross country skiing the trails. I love going to movies and reading books by the fireplace. Board games are a favorite family and neighborhood activity. Two of my favorite games are Telestrations and Wizard. What are your favorite board games to play as a family?

Mrs. Suzette Erickson, Principal
