A music program

Performed by Edinbrook First Graders

Thursday, April 12, 6:00 pm
Edinbrook Elementary Gymnasium

Hello,

You may have heard your first grader talking about a music program. The first graders will perform a music program on Thursday April 12, 2018 at 6:00 pm. The students will perform for the student body during the school day and again in the evening for friends and family. I told the children their attendance at the evening performance is extremely important. Each child plays an integral role in the program and I rely on every child's participation. Please have your child to Edinbrook by 5:40 that evening. The show will begin at 6:00 and last approximately 30 minutes. **(There will not be adult supervision and the doors will remain locked until 5:40 pm)**. If your child is unable to attend the evening performance on April 12 please let me know in advance. I will send more detailed information regarding attire as the date approaches.

Thank you so much for your support and I look forward to seeing you at the concert! If you have any further questions, please feel free to contact me.
