

Dear Class of 2018 and parents:

The Crimson yearbook staff has already started designing the yearbook for 2018. We take pride in our book and have received awards in book design for many years. Our goal is to repeat that achievement again this year and we are asking for your help.

We would like to have a traditional portrait of every senior in our yearbook this year. In other words, we don't want to have a "not-pictured" column. In order to make this happen, **David Bank Studios** has agreed to offer all our seniors a no-charge yearbook session. All you need to do is call the studio this spring to schedule a time with their studio before July 4, 2017 for a no-charge session which consists of 2-3 poses. You will then have the opportunity to select your image online to be submitted to the yearbook. **This session is only offered before July 4, 2017 in the studio.**

In the past, **David Bank Studios** has worked with us on our senior portrait section, by taking the senior all-class picture, and also by photographing sports teams in action. Their photographers have been very helpful and their photo quality has been excellent. If you choose to use them as your senior portrait studio, they will include a yearbook portrait in any of their paid sessions. These portraits will need to be taken before September 30, 2017 in order to be included in the yearbook.

Please do not be left out of the 2018 Crimson yearbook. Make arrangements for your senior portrait now. **We need all of your portraits taken by September 30, 2017** so that we will receive them in time to make our deadlines.

Please call David Bank Studios in Fridley at 763-571-2265 or in Anoka at 763-421-4553 to schedule your appointment now. The Fridley studio is located at 1290 Osborne Rd Ne, suite L, Fridley. The Anoka studio is at 1916 2nd Ave S, Anoka.

Thank You,

Crimson Yearbook Staff
