

NVJH Advisory

The goal for Advisory is for all students to establish a connection with at least one adult in the school, a person who gets to know them and can serve as a guide. In addition to the connections made with their Advisory teacher, students have a chance to connect with each other and learn the social skills necessary for success in any relationship.

At North View Junior High, students spend their Tuesdays:

- building interpersonal relationships with staff and peers through Knights' Circle
- setting and monitoring academic goals through one-on-one conferencing
- refining social and community building skills through W.E.B. mentors
- researching college and career options through custom designed curriculum
- practicing strategies that build character and global citizenship through research on growth mindset
- participating in school-wide activities designed to strengthen the building's culture and climate

At North View Junior High, students spend their Wednesdays:

- reading for enjoyment
- reading to build vocabulary
- reading to enhance writing
- reading to foster academic growth
- reading for post-secondary preparation
