

1. Access Osseo Apps and open the email from ManageBac
2. The body of the email will look similar to the picture below. Your username for ManageBac will be your Osseo Apps email address. Your password will be what you need to set up. See directions below

Click on the link to set your password, make your password the same as your login password.

Welcome Practice Account!

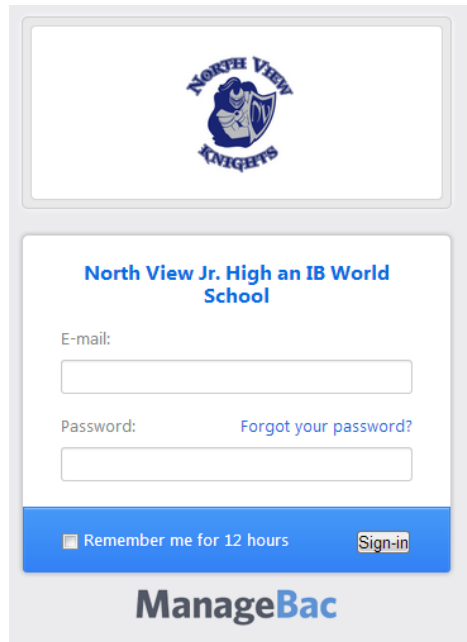

It appears a school admin has already setup your account. You'll simply need to set your password below and you're all ready to go.

Set your Password

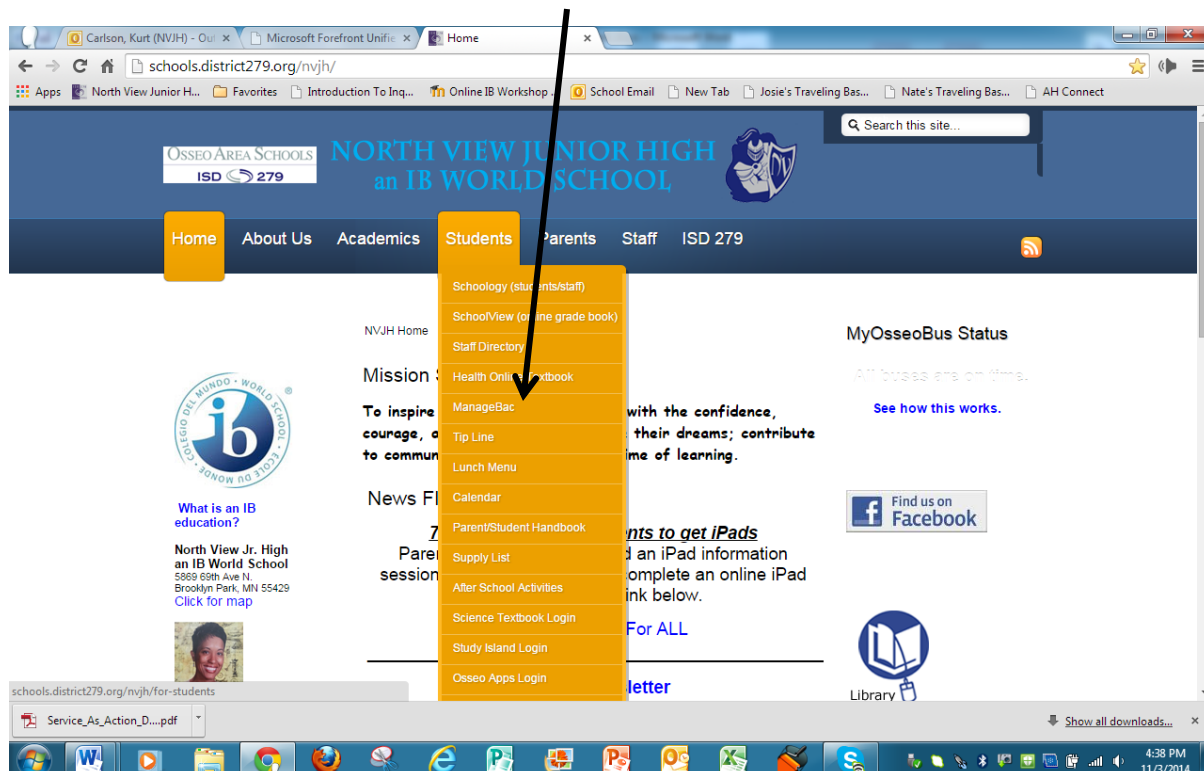

Password

Password (retype)

Enter your Osseo Apps email address and the password you just created to log into ManageBac

The ManageBac login screen for students can be found by going to North View's home page, clicking on Students at the top of the screen and then click on ManageBac

Next, follow the directions in the Service AS Action Packet to enter activities and to learn more about why providing service to your community is very important.

North View Jr. High an IB World School

Service as Action

North View's hands reaching out to our Community

What I get from volunteering:

- Explore your talents and capabilities
- Make a difference in the world around you
- Discover the satisfaction of helping others
- Try new things, expand your horizons
- Expand on human dignity
