### Don't forget...

- Conferences will be coming up February 1, 7, and 9. Please return your request form (coming home in your Wednesday envelop) so we can schedule a time that works well for you to meet.
- Burrrrr...it's cold outside! Students go outside for 30 minutes EVERY DAY! If they are sick, students should stay home. Please make sure they have warm, dry clothes and can put on their outside clothing independently. While they should have boots for playing outside, they should wear shoes for their time inside.
- If you're able to, please send a bottle of Clorox wipes to help us get rid of nasty germs!
- Please review these **letters** and letter **sounds**:
