

Dear Parents,

After much research this summer, 2nd grade is trying something new. Homework will only consist of work that your student did not finish during the school day. There will be no formally assigned homework this year.

Research has been unable to prove that homework improves student performance. Rather, we ask that you spend your evenings doing things that are proven to correlate with student success: eat dinner as a family, read together, play outside, and get your child to bed early.

If you have any questions feel free to contact us.

Thanks,

Mrs. Brenny and Mrs. Morrisette
