

## **What YOU can do to best support your Kindergarten learner at home...**

- Empty your child's backpack and look through the work in their blue home/school folder EVERY day.
- Check your child's Wednesday envelope and return it to school each Thursday.
- Let the teacher know if something is changing at home or there is something she should be aware of that might affect your child academically, socially, behaviorally, or emotionally.
- **GET THEM TO BED!!!** (A Kindergartner needs about 12 hours of sleep each night!)
- Practice counting by 1's, 2's, 5's, and 10's.
- READ with them and to them every day.
- Get them to school...on time...every day...unless they are sick.
- Post and read your yellow monthly calendar.
- Celebrate their improvements!!
