Hello Pirate Families!

It is hard to believe that fall and first trimester are behind us. We have many exciting things to celebrate both in and outside of the classroom. Please take a moment to read about how our students have been demonstrating PRIDE in our community:

- Elissa Lance finished third at the 5AA section diving meet. Her third place finish qualified her to compete in the State Diving meet at the U of M Aquatic Center on November 14 where she finished 12th.
- Winter Sports are now underway and Spring Sports will begin in March, registration for Spring sports will begin in February via FeePay.

As you can see, we have many reasons to be proud of our school! Congratulations to all of our students for their contributions to the community, and their athletic and academic achievements. You can follow our achievements on Facebook at “Park Center Senior High” and on Twitter at @ParkCenterSrHS and @PCSHActivities.

As a school, we will continue to keep you informed of your student’s academic progress. Your student will receive Trimester 1 grades in Advisory on December 11, 2019. Please take time to review your student’s grades and talk with your student about them. Moreover, if you haven’t already done so, we encourage you to register for our ParentVue program. Through ParentVue, you can access your student’s attendance, test scores, health records, and transportation information as frequently as you choose. ParentVue is accessed through the internet and only requires you to present a photo ID to the school in order to obtain a confidential access code. You may sign up for ParentVue during any school day between the hours of 7 a.m. – 3 p.m. in the Counseling Office. ParentVue is a valuable tool for keeping you informed of your student’s academic progress and to improve communications between the home and the school.

Believe it or not, registration for the 2019-20 school year is coming soon. We will have a special registration session for incoming 9th grade students in January 22nd. Current 9th – 11th grade students will begin the registration process in January during their Advisory class. Please stay tuned for more information regarding registration.

Finally, as we go into Trimester 2, I want to again thank you for your continued support of Park Center Senior High. All of us at Park Center look forward to continuing to work with you as we enter the second trimester of the year. When all of us work together, our students can achieve anything!

Sincerely,

Heather Miller-Cink, Principal
PERSONAL DIGITAL LEARNING DEVICES AND ELECTRONICS
Students are expected to bring their district issued Chromebooks to school to utilize in cooperation with their teachers to enhance their educational experience. It is the responsibility of each teacher to establish procedures and expectations for use of digital learning devices in their classroom, and it is the responsibility of each student to follow those procedures and expectations. Students are advised to secure their personal digital learning and electronic devices at all times as we are not able to provide staff time to investigate lost or stolen items.

DRESS CODE
Students attire should be appropriate, neat, clean, and not offensive. The school has the authority to determine whether student attire is inappropriate for school. Examples of inappropriate clothing include, but are not limited to:

- clothing advertising substances illegal for children and adolescents;
- clothing containing obscene and / or profane language, slogans, emblems or pictures;
- clothing containing gang symbols and/ or emblems, or clothing worn in a manner to identify gang membership; or sexually provocative or immodest clothing.

FINES
All fines must be paid in order to purchase a parking permit, attend prom or other school dances, participate in extra-curricular and co-curricular activities, and participate in the commencement ceremony.

PARKING
Parking permits will be sold for the current cost of $45 on Fee Pay or in the Front Office/Attendance Office. If you would like to print an application, please go to the Park Center Senior High website and click Parking Permits under Quick Links. Complete the application and turn it in to Matt Newell, Business Manager in the Front Office/Attendance Office.

VISITORS
Students will not be permitted to bring visitors to school. Absolutely no small children or pets will be allowed in school unless it is a part of a class assignment - then only if care has been arranged for a day in advance. Students from out of town who wish to visit the school for the purpose of exploring enrollment should contact the counseling office for an appointment before coming to school.
It is our expectation that students have good attendance so they may participate fully in the learning process, by being present for the meaningful instruction their teachers provide.

- If your child is absent, please be sure to call the Attendance Office on the day your child is absent. If your child must leave school for an appointment during the day, please send a note that day and have your student give it to the attendance personnel before 7:30 am to obtain a pass to leave school.

- In the event a student must leave school due to illness, she/he must see the nurse to obtain a “Leave School Permit” approved by the nurse or an administrator before leaving. Failure to follow this procedure may result in an unexcused absence. Parents/Guardians, if you receive a call or text from your child due to illness, tell them they must first see the nurse. Once the nurse assesses an ill student and believes he/she would do better at home, a call is made to the parent/guardian. If your child has a fever over 100 degrees, home is the best place for the child until symptom-free for 24 hours.

This section of the newsletter is designed to inform seniors and their families of upcoming events and deadlines. Please check the SENIOR NEWS section of the newsletter each trimester and visit our website for important senior information throughout the year.

All commencement information will be posted on the website, Schoology, via school messenger and included in future PCSH newsletters.

Please contact Ms. Krook (KrookV@district279.org) with any graduation questions.

2020 GRADUATION COMMENCEMENT

Saturday, June 6th, 2020 at 2:00 p.m.
Mariucci Arena on the U of M Campus

CAP & GOWN ORDERING/DIPLOMAS
Park Center Senior High provides all seniors who participate in the PCSH Commencement Ceremony with a cap, gown, standard tassel and medallion at no cost. These items will be theirs to keep. Seniors will be able to order their cap and gown starting January 22, 2020. The link will be posted on our website.

Seniors will be doing a name verification in December, during their advisory class; this is very important as it will ensure the correct spelling of the student’s name in their diploma. All seniors must complete this tasks, even if they are not planning to participate in the commencement ceremony to ensure that their diploma is ordered.

More information on commencement will be available in the Trimester III Newsletter and our website. A detailed packet explaining all aspects of commencement will be given to your Seniors during month of May.

COMMENCEMENT PARTICIPATION FEE
All seniors planning to participate in commencement on Saturday June, 6th, will be assessed a School Board approved commencement fee ($20). This fee will be payable through FeePay. More information will be available in a detailed commencement packet that seniors will receive in May, and it will also be posted on the website.
GRADUATING WITH HONORS
Seniors graduating with honors do not need to order honor accessories, however, unlike the gown, cap with standard tassel, and medallion, honor accessories are not provided free of charge. In May, a list of seniors eligible to graduate with honors will be posted outside of the Student Support Office. Honor accessories for eligible students will be noted on their clearance form which Seniors receive in June. Watch for more information in the Trimester III newsletter and on our website.

POST-SECONDARY EDUCATION OPTION (PSEO) STUDENTS
It is the responsibility of PSEO students to stay informed by checking in with their counselors or PCSH website on a regular basis to stay current on important information and deadlines. PSEO students are expected to follow the same procedures and deadlines for things such as parking permits, senior/school pictures, commencement, etc. The PCSH Facebook page, Twitter account, and website (schools.district279.org/pcsh) are all good resources for PSEO students.

*Please note that the Trimester II PSEO grades for Seniors are not used in tabulating graduation honors.*

We value your partnership to ensure the success of your child’s educational journey at Park Center and beyond. This partnership between home and school is vital. Your communication with teachers and attending school conferences is encouraged to help support your child throughout their time at Park Center. We also have Parent/Guardian Engagement Meetings where parents are encouraged to attend.

Conferences have been designed to give families a progress update for each class (Trimester conferences), as well as help parents/guardians be active in their child’s high school and post-secondary planning (Registration Conferences). PCSH’s Trimester 1 conferences were a great success and we would love to see all of our families Trimester 2! Please see our following conference schedules below.

The **College & Career Resource Center** (CCRC) is a great resource at our school! The CCRC is adjacent to the Front Office area, behind the orchestra classroom off the cafeteria. The CCRC provides guidance in exploring personal interests and skills, career exploration and research, postsecondary planning and education, including college application process, financial aid, scholarships, college placement testing, military options, employment and internship/apprenticeship opportunities.

The [CCRC website](#) has a ton of information and resources to help students plan for life after high school. The [CCRC calendar](#) is filled with guest speakers, college reps, field trip opportunities and more. The [Scholarship Bulletin](#) is updated twice a month and is found on the CCRC website. Many of these events, opportunities and scholarships are also posted to all students on Schoology. The CCRC website also has resources for students interested in college, the military, tech and trade schools, and joining the workforce.

In addition to the Ramp Up Program, that our students participate in during their Advisory, the Park Center CCRC hosts a variety of supportive information sessions for students throughout the year, called mini-sessions. Topics include: College Applications, Submitting Transcripts, Scholarships, Personal Essays, Financial Aid and the FAFSA, the PreACT and ACT exams, and many more. Students sign up in the CRC to attend.

The CCRC is also on [Facebook](#), [Instagram](#) and [Twitter](#). Please follow to keep informed about all the happenings in the CCRC.

We encourage your student(s) to stop by the CCRC and sign up for some of the many events and/or to make an appointment to discuss their post-secondary goals and how we can help them reach those goals.

**TRANSCRIPTS:** Requesting transcripts is easy because Osseo Area Schools uses Parchment to handle student transcript requests electronically. You are able to order your transcripts online, with the ease and the 24/7 convenience of the Web. The first time you visit the Parchment website, a one-time account set up is required. The Parchment website is most compatible with Chrome or Firefox. [Instructions and a video tutorial](#) are found on the CCRC website.

**Currently Enrolled Students:** All transcript requests for currently enrolled students are FREE. There is no limit as to how many you can request in Parchment.

**PCSH Alumni:** Electronic transcript cost is $5 per order. Paper copies of transcripts are $7.

**Questions?** Contact Jody Hansen 763-569-7627 or Hansenj@district279.org.

**AP TEST REGISTRATION** This year the College Board changed the Advanced Placement (AP) exam registration process, timeline and fees. All AP students were required to create an account with the College Board. Exam registration and fees were due in late October. Students that registered to take the AP exam will do so during the month of May. Details regarding AP tests can be found at [www.collegeboard.org](#). Look for AP test information from AP Teachers and on Schoology in April. If you have any questions about AP testing, please reach out to your student’s AP teacher or contact Sara Schreiner at schreiners@district279.org.
CONTINUATION OF CCRC NEWS

Beginning with the class of 2019, class rank will no longer be reflected on the transcript; however, it will be added to the report card each trimester. Very few institutions require class rank recorded on the transcript for admissions purposes. If the institutions for which you are applying require class rank reported on the transcript, simply file a request with our office, and it will be added. Each trimester report cards will have class rank and GPA (weighted and unweighted) included, and official transcripts will continue to reflect GPA (both weighted and unweighted). Please contact the CCRC or your guidance counselor if you have any questions.

Our district has established a confidential and anonymous tip line. Another way to break the silence is to call the district tip line at (763) 391-8660. No names. No trouble. Just help.
**VOLUNTEER OPPORTUNITIES**

Throughout the school year we are in need of volunteers to help with a variety of tasks. Students can work with our Volunteer Coordinator to learn about volunteer opportunities in our community. **HEALTH SERVICES OFFICE**

**GETTING SICK AT SCHOOL**

If a student becomes ill during the school day or an emergency arises, he/she should see the nurse before calling or texting a family member to pick them up at school. Before deciding to send a student home, often 20-30 minute rest, heating pad, or something to eat may be all that is needed to help them through the day. Once the nurse assesses a student and believes he/she would do better at home, a call is made to the parent/guardian. If the student has a fever over 100 degrees, home is the best place for the child until symptom-free for 24 hours.

**MEDICATION AT SCHOOL**

Over-the-counter medications such as Advil or Tylenol and prescribed medications can be kept in the health office for headaches, pain, and other conditions. Having medication at school can often mean the difference between a student finishing out the school day comfortably or missing valuable academic time. In order for medication to be taken at school, a Medication Form must be on file with the nurse. Forms are available in the Health Services Office.

**MN IMMUNIZATION LAWS FOR HIGH SCHOOL STUDENTS**

As of September 2014, Minnesota’s Immunization Law now requires that students be vaccinated with the Meningococcal Vaccine (MCV4) by grade 7. This new law has implications for our students and especially for seniors who will be attending a college after graduation. Most colleges will require a MCV4 for enrollment. Medical and conscientious exemptions are still allowed under the law. All students in grades 7 through 12 should get this vaccine. Please contact your clinic for an appointment. If you have questions, please contact our District Nurse Osseo Area Schools at (763) 391-7126.

*Independent School District 279 does not discriminate on the basis of disability. If you need auxiliary aids or services in order to participate in or attend a District activity, please contact us at least seventy two (72) hours in advance at (763) 569-7600.*
