## General Announcements:

- Students who have logged **volunteer hours** need to turn in their documented hours to the attendance office by May 31st in order for those hours to be recorded on your transcript.
- There will be a **community career panel** in the CRC on May 20<sup>th</sup> that will include a firefighter, police officer, child protection investigator, probation supervisor, social worker and court security officer. These professionals will describe their careers and the educational tracks required for those careers. Sign up in the CRC to attend. Students of all grade levels are invited to participate.
- On May 21<sup>st</sup> the CRC will host an **apprenticeship specialist** who will provide information about how you can earn a great wage while you learn a trade like carpentry, roofing, electrical, plumbing and more. Sign up in the CRC to attend these sessions. Students of all grade levels are invited to participate.
- It's **Link Crew** Recruiting time - All Juniors and Seniors for next year - we are looking for some great new Link Leaders to lead the freshman orientation next year and work with them during advisory. You don't have to have a teacher recommendation - applications are in the Student Services office or contact Ms. Sorensen, Mr. Nelson, Ms. Hahn! **WE WANT YOU!!!!**
- Applications for sophomores to join **College Possible** in the fall are due Friday May 17th! You can only join College Possible as a rising junior so this spring is your last chance to apply. You can find the application using the QR code on one of the College Possible posters in the hallways or by going to [collegepossible.org/join](http://collegepossible.org/join). If you have any questions, get permission from your teacher to visit the CP office by the computer labs in the Media Center!
