IMPORTANT INFORMATION FOR SENIORS:

** Graduation is soon approaching. The CCRC requires a **CCRC Final Clearance Form** <https://goo.gl/forms/2XOZ0VaX58XUTIRx2> to be completed by **all seniors**. This is one of the steps required so you will be able to be cleared by the **Senior Clearance Form** which allows you to pick up your cap and gown for graduation.

This form is very important to complete because it gives us information regarding your plans for next year and the scholarships you have received, which will be included in the graduation program.

** Seniors, as you are ordering your **final transcript in Parchment**, please remember you must put the order "**On hold for grades**" so that your tri III grades will be included. Final transcripts will be sent to post-secondary institutions during the third week of June.

** Students who have been awarded scholarships need to pick up the **Scholarships Awarded – 2017** form from the CCRC. All scholarships awarded, even those you will decline should be listed on this form. This information will be printed in the Graduation Program. (Scholarship amounts will not be printed.)
