### \*WINTER BREAK\*

December 21 - January 1, 2016

Dear Park Center Students & Families,

It is with great excitement and anticipation that I welcome you to the 2015-2016 school year! We have been actively planning for this school year for the past several months and are excited to see familiar faces and welcome many new ones. This school year brings great change to all of us. Some of these changes include a seven period daily schedule, extensive building renovations and additions, all students will receive iPads, and welcoming many new families, students, and staff members to our community.

Given the number of changes, establishing a school culture that embraces the 1000 new students and nearly 100 new staff members will be critical. It is my goal to lead a school that welcomes everyone for who they are and what they offer. Our staff will do whatever it takes to ensure you feel valued as a person, connected to our school culture, and supported with our high expectations for behavior and learning. We believe that all students can learn at high levels. It is our challenge to make sure that every single student sees his or her dreams realized. I believe we already have everything needed to make this happen. We have a dedicated staff that is committed to getting to know you and support you in our expectations for learning. We have awesome students and families that deeply care about our community and support one another in our efforts to help all students succeed.

Having open and transparent communication will be critical in our work together. Please be sure your contact information is updated on SchoolView as this will allow you to receive updated emails and important school messages. In addition, please consider following us on Facebook at "Park Center Senior High" and on Twitter at @ParkCenterSrHS and @PCSHActivities. Our school website is also a great way to stay connected (schools.district279.org/pcsh). Lastly, you can also contact any staff member by phone or email. Contact information is available on the school webpage.

To support our students and families in the transition to a new school year and build our school community, we are having an Open House BBQ on September 2<sup>nd</sup> from 4:00-6:30pm. This provides a great opportunity to have a meal, pick up schedules, meet teachers and staff, see the new construction, receive iPad info, and get information on many other aspects of high school. More detailed information regarding the Open House BBQ has been mailed to you..

This year we will be doing an all-school Orientation the first day of school, September 8<sup>th</sup> from 7:30am-2pm. Students will be going through orientation tailored to their grade level in an effort to help students adjust to high school life and build positive school community. All students will be receiving a free school spirit t-shirt in their Advisory class on the first day of school. We are requesting that all students wear their t-shirt on Friday, September 11th to promote support school spirit!

In order for all our students to thrive we need to have an entire school community that is committed to doing whatever we can to help students feel safe, connected and supported in meeting our high expectations. I look forward to partnering with you in this journey. Please do not hesitate to call, email, or stop by to introduce yourself.

Go Pirates!

# BACK TO SCHOOL EVENTS

## Open House & Dinner

Wednesday, September 2, 2015

4:00-6:30 PM

All students and families are invited to Park Center to:

- Enjoy a *free* meal
- Receive a tentative student schedule
- Meet Park Center staff and find your classes
- Buy a student parking permit
- Tour completed new construction projects
- Put money in lunch accounts and/or apply for free/reduced lunch
- Complete iPad and emergency contact forms
- Gain SchoolView access
- Learn about activities offered at PC

## First Day of School Orientation

Tuesday, September 8, 2015 (7:30-2:30pm)

For all enrolled Park Center students

The purpose of the orientation is to prepare students for the start of the school year. Students will:

- Get a finalized schedule
- Learn their way around the newly expanded building
- Meet their advisory teacher
- Take school pictures
- Learn about Park Center P.R.I.D.E behavior and academic expectations
- Be welcomed by our LINK Crew, which will “link” them to high school and student leaders (designed for 9th & 10th graders)

What to bring on the first day of school:

- School supplies (folders, notebooks, pens/pencils) and a combination lock for locker
- Completed student emergency/health information sheet and iPad forms (if not turned in at Open House)
- Eligible students wishing to purchase a parking permit should bring a completed parking permit application, their driver’s license, and \$35 (cash or check). Applications can be found on the Park Center website under the “Quick Links” section and in the Attendance Office (**parent signature is required**).

## **FRIDAY, SEPTEMBER 11**

Students will attend all seven courses and an all-school pep-fest at the conclusion of 7th period.

# ATTENDANCE INFORMATION

It is our expectation that students have good attendance so they may participate fully in the learning process, by being present for the meaningful instruction their teachers provide.

- If your child is absent, please be sure to call the Attendance Office on the day your child is absent. If your child must leave school for an appointment during the day, please send a note **that** day and have your student give it to the attendance personnel before 7:30am to obtain a pass to leave school.
- In the event a student must leave school due to illness, she/he must see the nurse to obtain a "Leave School Permit" approved by the nurse or an administrator before leaving. Failure to follow this procedure may result in an unexcused absence. Parents/Guardians, if you receive a call or text from your child due to illness, tell them they must first see the nurse. Once the nurse assesses an ill student and believes he/she would do better at home, a call is made to the parent/guardian. If your child has a fever over 100 degrees, home is the best place for the child until symptom-free for 24 hours.

# FOOD AND NUTRITION SERVICES

## BREAKFAST & LUNCH PROGRAM

Our program is set up so that students may put money into an account which they can then draw upon when they purchase a breakfast/lunch by entering their personal account number into a keypad. Every student will be getting a **new** pin called "**Universal PIN**". They will keep this pin throughout high school. Student account numbers will be printed on their schedules.

- Families may deposit cash or check in their account at the Open House on September 2.
- Students may deposit money into their account prior to "A" lunch on any school day.
- Checks can be written to *Park Center* or *PCSH*, include the student's name and PIN (if known) in the memo section on the check.
- Free and reduced lunch applications are available at Open House, in the Counseling Office during the school year, or online at [www.d279.us/fma](http://www.d279.us/fma). Applying online is the quickest way to receive benefits. Processing of the paper application takes approximately one week.

**Breakfast is served 7-7:25am**

*Students eat as they arrive,  
before 1st period*

**High School Student Breakfast: \$1.60**

**Lunch is served between 10:30am -1pm**

*Specific times are determined by the  
student's schedule*

**Senior High Student Lunch Price: \$2.75**

# PARK CENTER DAILY SCHEDULES

## CHECK OUT OUR NEW SCHEDULE WITH SEVEN CLASS PERIODS!

Park Center has a NEW 7-period day schedule with advisory offered one day a week. The new schedule accommodates the IB programme and offers more opportunities for courses students may be interested in that our previous 6-period day could not offer.

- Students will attend all seven of their scheduled courses 4 times per week.
- Advisory (A) will meet for 68 minutes a week.

The regular schedule is as follows:

# PARENT/GAURDIAN CONFERENCES

We value your partnership to ensure the success of your child's educational journey at Park Center and beyond. This partnership between home and school is vital! Your communication with teachers and attending school conferences is encouraged to help support your child throughout their time at Park Center. We also have Parent/Guardian Engagement Meetings where parents are encouraged to attend to provide input and feedback on the programs at PCSH as well as share concerns and ask questions.

Conferences have been designed to welcome you and your child to Park Center (Open House), offer progress updates for each class (Trimester conferences), and be active in your child's high school and post-secondary planning (Registration Conferences).

### PARENT/GUARDIAN ENGAGEMENT MEETINGS

Parent/Guardian Engagement meetings will be held once during each trimester. All parents/guardians are welcome and encouraged to attend to provide input and feedback on the programs at PCHS as well as share concerns and ask questions. All meetings are from 6:30-7:30pm and will be held in the Forum Room. The scheduled meetings dates: September 17, October 22, February 4, and May 5.

# SCHOOL EXPECTATIONS

## PARK CENTER P.R.I.D.E

Park Center P.R.I.D.E. is a school wide PBIS initiative that establishes expectations and acknowledges students when they display appropriate behaviors. Park Center P.R.I.D.E. is expected of each student at all times, throughout the entire building and campus.

### **P**articipate in your education:

- Be on time, prepared, and ready
- Give consistent effort
- Contribute to the PC community

### **R**espect yourself and others:

- Treat others as you would expect to be treated
- Take care of our school and property
- Be polite and use appropriate language in every language

### **I**nspire others:

- Lead by example
- Be a positive influence on others
- Support and protect the rights of others

### **D**o the right thing:

- Show integrity
- Be responsible
- Make choices that are considerate to others

### **E**xcel in all you do:

- Challenge yourself
- Go beyond what is expected
- Promote/develop a positive culture

# SCHOOL EXPECTATIONS

The Park Center Student Handbook will be electronically distributed to each student in September. The handbook is a guide to the various practices and procedures followed at Park Center, in addition to Park Center P.R.I.D.E. The Student Handbook is also available on the Park Center website at [schools.district279.org/pcsh](http://schools.district279.org/pcsh) under the “For Students” tab. A handbook review will be conducted with all students.

*Here are a few excerpts from the Student Handbook which relate to frequently asked questions:*

## **CELL PHONE POLICY**

Students may use cell phones on school grounds before and after school, during passing time, and at lunch provided that such cell phone use does not disrupt the learning opportunities of other students or interfere with maintaining a safe orderly school environment. Cell phone use during classroom instructional time is strictly at the teacher’s discretion and will be clearly communicated to the student.

## **PERSONAL DIGITAL LEARNING DEVICES & ELECTRONICS**

Students are encouraged to bring their personal digital learning devices to school to utilize in cooperation with their teachers to enhance their educational experience. It is the responsibility of each student to follow their teacher’s expectations regarding use of technology. Students are advised to secure their personal digital learning and electronic devices at all times as we are not able to provide staff time to investigate lost or stolen items. Any photographic or movie image taken of staff members on ISD 279 property without the consent of the individual(s) may result in disciplinary action. Any photographic or movie image taken of staff members on ISD 279 property cannot be published or posted on a public forum (Twitter, Facebook, Instagram, YouTube, etc.) without the written consent of each individual. Any violation may result in disciplinary action.

## **DRESS CODE**

For health and safety reasons, outerwear coats (i.e. jackets), hats, and other headgear (including skull caps, scarves, bandanas, etc.) are not to be worn during the school day. All headgear must be removed upon entering the building. In addition, students must wear appropriate footwear (no slippers allowed). Clothing should be appropriate for school and not offensive. Examples of inappropriate attire include clothing that is sexually provocative or immodest, advertises illegal substances, is associated with gang affiliation, or contains obscene or profane language or pictures, etc. More specifically, halter tops, one shoulder shirts, shirts with spaghetti straps, shirts that show too much midriff or cleavage, skirts that are too short and pants that hang too low exposing under garments are examples of attire considered inappropriate for school. All staff and administration reserve the right to determine what is appropriate under this code.

## **FINES & FEES**

Students are to return books, pay fees and/or fines in a timely way to prevent outstanding balances which place them on our fines and fees database. Students on this database are ineligible to purchase parking permits, dance/prom tickets, register/participate in extracurricular activities, athletics and commencement until the outstanding balance is paid. Fines and fees may be paid to Sue Toohy in the Media Center.

## **PARKING PERMITS**

Students who drive to school need to purchase parking permits, please be responsible and know that parking at PCSH is a privilege, not a right. Parking applications are located in the front office and will be sold the week of September 8th to those who qualify. Permits cost \$35 per trimester. The parking permit application can also be found under the “Quick Links” section on the front page of our website.

## **SCHOOL VISITORS & SHADOWING**

Frequently, we get requests from parents or students asking if friends or family members may attend school, have lunch and/or shadow a student for a day. We do not allow students to bring visitors during the school day for various reasons: security, crowded hallways and lunches, and the importance of maintaining a stable learning environment for all PCSH students. However, parents/guardians are more than welcome to shadow their child at any time; please call an administrator to make necessary arrangements.

## **POST-SECONDARY EDUCATION OPTION (PSEO) STUDENTS**

It is the responsibility of PSEO students to stay informed by checking in with their counselors or PCSH website on a regular basis to stay current on important information and deadlines. PSEO students are expected to follow the same procedures and deadlines for things such as parking permits, senior/school pictures, commencement, etc. The PCSH Facebook page, Twitter account, and website ([schools.district279.org/pcsh](http://schools.district279.org/pcsh)) are all good resources for PSEO students. All commencement information will be posted on the website and included in future PCSH newsletters. *Please note that 2<sup>nd</sup> semester PSEO grades for seniors are not used in tabulating graduation honors.*

# SENIOR NEWS

A student's senior year tends to be very busy with many details, deadlines and important tasks. This section of the newsletter is designed to inform seniors and their families of upcoming events and deadlines. Please check the SENIOR NEWS section of the newsletter each trimester and visit our website for important senior information throughout the year.

## 2016 GRADUATION COMMENCEMENT

Saturday, June 11th, 2016  
Mariucci Arena on the U of M Campus

Seniors will be ordering their cap/gown and diploma online in January. Seniors will have the opportunity to order graduation announcements from Jostens in January if they choose to do so. Please check the **SENIOR NEWS** section of the newsletter each trimester and visit our website for important senior information throughout the year.

### SENIOR PORTRAITS FOR 2015-16 YEARBOOK

Seniors, do not be left out of the 2016 Pirate Yearbook! Only portraits taken by David Bank Studios will be included in the yearbook. The free portrait sitting timeframe has expired, but for a small fee you can still have them taken at David Bank Studios. To make arrangements for your senior portrait contact David Bank Studios at [\(763\) 421-4553](tel:7634214553). If you are not able to have your picture taken at the studio, David Bank will be at Park Center in the fall for a final free sitting session (date to be determined). This will be your last chance to take senior photos to be included in the yearbook. Questions? Contact Ms. Heaney at [HeaneyB@district279.org](mailto:HeaneyB@district279.org).

### SENIOR ALL-NIGHT PARTY PARENT INFO

You might think it's a long way off but your senior will be graduating before you know it!

Dear Parents and Guardian,

Welcome to Senior Year! Part of the senior year experience at Park Center is the opportunity for the graduates to attend the Senior All-Night Party (SANP). This lock-in party is a fun and safe way for the seniors to spend their last night together. However, this cannot be possible without the help from parents/guardians.

Please consider volunteering to be on the planning committee and help make this memorable night for the Seniors Class of 2016! The Committee members from the Class of 2015 would love to meet with you and give you all the information to help get you started planning for YOUR Senior Class of 2016 Party.

Sincerely Co-Chairs,

Diane Schaub [d.schaub@comcast.net](mailto:d.schaub@comcast.net)  
JoAnn Martinson [mjmartinson4@comcast.net](mailto:mjmartinson4@comcast.net)

**PIRATES CLASS OF 2016**

# CAREER RESOURCE CENTER

The Career Resource Center (CRC) is a great resource at our school! The CRC is adjacent to the front office area and orchestra classroom in the cafeteria. The CRC can provide guidance in career exploration, college application process, financial aid, scholarships, college placement testing, military, employment, and internship services.

The CRC staff produce newsletters twice a month which include information on college and military reps coming to our school, volunteer and work opportunities, ACT and NCAA information and thoughtful articles on post-secondary opportunities. The CRC newsletter is on PCSH homepage under the "Quick Links" section. The CRC is also on Facebook "Park Center IB World High School Career Resource Center." In addition, the CRC hosts many presentations during the school year and at conferences throughout the year. Please visit our webpage at <http://schools.district279.org/pcsh/academics/career-resource-center> to learn more about upcoming dates and presentations.

We encourage your son/daughter to stop by the CRC and see what events are planned or make an appointment to learn more.

## ACT TEST INFORMATION

All junior students are encouraged to take the ACT or SAT test at some point during the year. The ACT will be offered one time free of charge to all juniors during the school day on April 19, 2016. However, students may take the test as many times as they would like by registering on their own at [www.actstudent.org](http://www.actstudent.org). If you have questions please contact the Career Resource Center at (763) 569-7665. If a student does not know where he or she is going to college, it is recommended that he/she take the ACT with writing. If a student would find out later that the college he/she wishes to attend requires the writing part, he/she would have to re-take the ACT test in its entirety — not just the writing portion of the test.

## PSAT TEST INFORMATION

The PSAT is a great tool for preparing for the SAT (and even the ACT). More than 3.4 million high school students (mostly juniors and sophomores) take this nationwide multiple-choice test every year.

The PSAT will not count towards your college admissions applications, but it is the qualifying test for the National Merit Scholarship. This means that some of the highest scoring students may win scholarship money, so while you shouldn't stress out about the PSAT, you certainly shouldn't ignore it either. Instead, use the PSAT as both practice for the SAT and ACT and one of the starting points on your college admissions journey. The PSAT test will be given at Park Center on October 14, 2015. Registration will take place in September. Please contact the CRC with any questions.

# VOLUNTEER OPPORTUNITIES

Throughout the school year we are in need of volunteers to help with a variety of tasks. Please stop by to meet our Volunteer/Youth Service Coordinator, Betty Hennen, at the Open House on September 2. Forms will be available if you are interested in learning about our volunteer opportunities. Students also work with our Coordinator to learn about volunteer opportunities in our community. If you would like to be added to the Park Center volunteer email list, or if you have any questions about our program, please contact Betty Hennen at (763) 569-7605 or at [hennenb@district279.org](mailto:hennenb@district279.org).

# ATHLETICS & ACTIVITIES

## ONLINE REGISTRATION FOR ALL ATHLETICS & ACTIVITIES

Registration for athletics and activities is available online at <http://www.district279.org/i-want-to/register-activities>.

FeePay™ is an online registration system that allows families to register students for athletics and activities at any time of day. After completing all the required documents online, families can use the safe and secure online payment option or pay separately in person or by mail to finalize their student's registration. A link to FeePay™ is located on the district website: <http://d279.us/FeePay>.

# HEALTH SERVICES OFFICE

## GETTING SICK AT SCHOOL

If a student becomes ill during the school day or an emergency arises, he/she should see the nurse **before** calling or texting a family member to pick them up at school. Before deciding to send a student home, often 20-30 minute rest, heating pad, or something to eat may be all that is needed to help them through the day. Once the nurse assesses a student and believes he/she would do better at home, a call is made to the parent/guardian. If the student has a fever over 100 degrees, home is the best place for the child until symptom-free for 24 hours.

## MEDICATION AT SCHOOL

Over-the-counter medications such as Advil or Tylenol and prescribed medications can be kept in the health office for headaches, pain, and other conditions. Having medication at school can often mean the difference between a student finishing out the school day comfortably or missing valuable academic time. In order for medication to be taken at school, a Medication Form must be on file with the nurse. Forms are available in the Health Services Office.

## MN IMMUNIZATION LAWS FOR HIGH SCHOOL STUDENTS

As of September 2014, Minnesota's Immunization Law now requires that students be vaccinated with the Meningococcal Vaccine (MCV4) by grade 7. This new law has implications for our students and especially for seniors who will be attending a college after graduation. Most colleges will require a MCV4 for enrollment. Medical and conscientious exemptions are still allowed under the law. All students in grades 7 through 12 should get this vaccine. Please contact your clinic for an appointment. If you have questions, please contact Elaine Forbes RN, LSN, District Nurse Osseo Area Schools at (763)-391-7126.

*Independent School District 279 does not discriminate on the basis of disability. If you need auxiliary aids or services in order to participate in or attend a District activity, please contact us at least seventy two (72) hours in advance at (763) 569-7600.*
