March 26-30- No School

Dear Park Center Parents/Guardians/Students:

I hope this letter finds you wrapping up an enjoyable and restful summer. It is with great pride and enthusiasm that I write this letter. We are very excited to welcome everyone to the 2017-18 school year at Park Center Senior High School. During the course of the summer there have been widespread renovations that will be seen throughout the building. Areas included in this project are the auditorium, the South gym, and various classrooms.

At Park Center we encourage ALL students to demonstrate P.R.I.D.E.

We want you to:

- Participate in your education
- Respect yourself and others
- Inspire others
- Do the right thing
- Excel in all you do

A "Back to School" Orientation for ALL grade levels for the 2017-18 school year will be held at Park Center on Wednesday, August 23. All students attending Park Center this fall are encouraged to attend the appropriate orientation:

Freshman:	8:00 a.m.-12:00 p.m.
Sophomores:	1:00 p.m.- 2:00 p.m.
Juniors/Seniors:	2:00 p.m.- 3:00 p.m.

It is very important that freshman attend their session in full from 8:00 a.m. - 12:00 p.m. as our Link Leaders have designed an incredible morning of activities to welcome students into the Pirate Family. The freshman orientation will start promptly at 8:00 a.m. in the South Gym.

Students will be required to have their school picture taken before they will be allowed to pick up their tentative class schedule. Picture order information is included in this newsletter on page 12 and on the PCSH website.

There will be several "booths" set up in the cafeteria where you can get information including, but not limited to, food service, school activities, counseling, health services, special education, and EL programs.

Students are encouraged to bring a check to deposit in their lunch account so they are ready for the first day of school. Checks should have the first and last name of the student written on them, along with the PIN, if known. Further, if students will be taking medication during the school day, this would be a good time to bring the medication to the nurse.

For more information regarding student orientation, please see page 2. We look forward to seeing you on August 23, 2017. Let's have a great year!

Sincerely,

Heather Miller-Cink, Principal

 @PCPrincipalHMC

Grade 9: 8:00 a.m. - 12:00 p.m.

Grades 10: 1:00 p.m. - 2:00 p.m.

Grades 11 & 12: 2:00 p.m. - 3:00 p.m.

The purpose of the orientation is to prepare students for the start of the school year. Students will:

- Receive a tentative schedule
- Learn their way around the building
- Take school pictures
- Deposit lunch money or receive a free-reduced lunch application
- Learn about Park Center P.R.I.D.E. behavior and academic expectations
- Freshman students will be welcomed by our LINK Crew, which will “link” them to high school and student leaders
- Visit information booths, such as, nurse, food services, EL, IB SPED, Counseling, etc.

First Day of School

Tuesday, September 5, 2017

7:30 a.m. - 2:00 p.m.

What to bring on the first day of school:

- School supplies (folders, notebooks, pens/pencils)
- A combination lock for locker
- Eligible students wishing to purchase a parking permit should complete a parking permit application, bring their driver’s license, and required payment. Please check website for more information as it becomes available.

ATTENDANCE INFORMATION

It is our expectation that students have good attendance so they may participate fully in the learning process, by being present for the meaningful instruction their teachers provide.

- If your child is absent, please be sure to call the Attendance Office on the day your child is absent. If your child must leave school for an appointment during the day, please send a note **that** day and have your student give it to the attendance personnel before 7:30am to obtain a pass to leave school.
- In the event a student must leave school due to illness, she/he must see the nurse to obtain a "Leave School Permit" approved by the nurse or an administrator before leaving. Failure to follow this procedure may result in an unexcused absence. Parents/Guardians, if you receive a call or text from your child due to illness, tell them they must first see the nurse. Once the nurse assesses an ill student and believes he/she would do better at home, a call is made to the parent/guardian. If your child has a fever over 100 degrees, home is the best place for the child until symptom-free for 24 hours.

SCHOOL EXPECTATIONS

The Park Center Student Handbook is available on the Park Center website at schools.district279.org/pcsh under the “For Students” tab. The handbook is a guide to the various practices and procedures followed at Park Center, in addition to Park Center P.R.I.D.E. A handbook review will be conducted with all students.

Here are a few excerpts from the Student Handbook which relate to frequently asked questions:

CELL PHONES

Students may use cell phones on school grounds before and after school, during passing time, and at lunch provided that such cell phone use does not disrupt the learning opportunities of other students or interfere with maintaining a safe orderly school environment. Cell phone use during classroom instructional time is strictly at the teacher’s discretion and will be clearly communicated to the student.

PERSONAL DIGITAL LEARNING DEVICES & ELECTRONICS

Students are assigned a district-owned iPad to utilize in cooperation with their teachers to enhance their educational experience. It is the responsibility of each student to follow their teacher’s expectations regarding use of technology. Students are advised to secure their personal digital learning and electronic devices at all times as we are not able to provide staff time to investigate lost or stolen items. Any photographic or movie image taken of staff members on ISD 279 property without the consent of the individual(s) may result in disciplinary action. Any photographic or movie image taken of staff members on ISD 279 property cannot be published or posted on a public forum (Twitter, Facebook, Instagram, YouTube, etc.) without written consent of each individual. Any violation may result in disciplinary action.

DRESS CODE

For health and safety reasons, outerwear coats (i.e. jackets), hats, and other headgear (including skull caps, scarves, bandanas, etc.) are not to be worn during the school day. All headgear must be removed upon entering the building. In addition, students must wear appropriate footwear (no slippers allowed). Clothing should be appropriate for school and not offensive. Examples of inappropriate attire include clothing that is sexually provocative or immodest, advertises illegal substances, is associated with gang affiliation, or contains obscene or profane language or pictures, etc. More specifically, halter tops, one shoulder shirts, shirts with spaghetti straps, shirts that show too much midriff or cleavage, skirts that are too short and pants that hang too low exposing under garments are examples of attire considered inappropriate for school. All staff and administration reserve the right to determine what is appropriate under this code.

FINES & FEES

Students are to return books, iPad, and iPad accessories, pay fees and/or fines in a timely way to prevent outstanding balances which place them on our fines and fees database. Students on this database are ineligible to purchase parking permits, dance/prom tickets, register/participate in extracurricular activities, athletics and commencement until the outstanding balance is paid. Fines and fees may be paid to Sue Toohey in the Media Center.

PARKING PERMITS

Students who drive to school need to purchase parking permits, please be responsible and know that parking at PCSH is a privilege, not a right. Parking applications are located in the front office and will be sold the week of September 5th to those who qualify. The parking permit application can also be found under the “*Quick Links*” section on the front page of our website.

SCHOOL VISITORS & SHADOWING

Occasionally, we get requests from parents or students asking if friends or family members may attend school, have lunch and/or shadow a student for a day. We do not allow students to bring visitors during the school day for various reasons: security, crowded hallways and lunches, and the importance of maintaining a stable learning environment for all PCSH students. However, parents/guardians are more than welcome to shadow their child at any time; please call an administrator to make necessary arrangements.

POST-SECONDARY EDUCATION OPTION (PSEO) STUDENTS

It is the responsibility of PSEO students to stay informed by checking in with their counselors and PCSH website on a regular basis to stay current on important information and deadlines. PSEO students are expected to follow the same procedures and deadlines for things such as parking permits, senior/school pictures, commencement, etc. The PCSH Facebook page, Twitter account, and website (schools.district279.org/pcsh) are all good resources for PSEO students. All commencement information will be posted on the website and included in future PCSH newsletters. *Please note that 2nd semester PSEO grades for seniors are not used in tabulating graduation honors.*

SENIOR NEWS

A student's senior year tends to be very busy with many details, deadlines and important tasks. This section of the newsletter is designed to inform seniors and their families of upcoming events and deadlines. Please check the SENIOR NEWS section of the newsletter each trimester and visit our website for important senior information throughout the year.

SENIOR ALL-NIGHT PARTY PARENT INFO

You might think it's a long way off but your senior will be graduating before you know it!

Dear Parents/Guardians,

Welcome to Senior Year! Part of the senior year experience at Park Center is the opportunity for all seniors to attend the Senior All-Night Party (SANP). This lock-in party is a fun and safe way for the seniors to spend their last night together. However, this cannot be possible without the help from parents/guardians. Please consider volunteering to be on the planning committee and help make this memorable night for the Seniors Class of 2018! The Committee members from the Class of 2017 would love to meet with you and give you all the information to help get you started planning for YOUR Senior Class of 2018 Party.

COLLEGE CAREER RESOURCE CENTER

The College and Career Resource Center (CCRC) is a great resource at our school! The CCRC is adjacent to the front office area and orchestra classroom in the cafeteria. The CCRC can provide guidance in career exploration, college application process, financial aid, scholarships, college placement testing, military, employment, and internship services.

The CCRC staff produce newsletters twice a month which include information on college and military reps coming to our school, volunteer and work opportunities, ACT and NCAA information and thoughtful articles on post-secondary opportunities. The CCRC newsletter is on PCSH homepage under the "Quick Links" section. The CCRC is also on Facebook "Park Center IB World High School Career Resource Center." In addition, the CCRC hosts many presentations during the school year and at conferences throughout the year. Please visit our webpage at <http://schools.district279.org/pcsh/academics/career-resource-center> to learn more about upcoming dates and presentations.

We encourage your student to stop by the CCRC and see what events are planned or make an appointment to learn more.

REGISTRATION FOR PSAT: The PSAT/NMSQT (National Merit Scholarship Qualifying Test) is a standardized test that most high schools in the United States administer to 11th grade students. Considered to be a "preliminary SAT," the PSAT test gives students a sense of the format, question types, content, and time limits that they will encounter on the SAT. Additionally, the PSAT test serves as a qualifying test for the National Merit Scholarship Program, an academic competition for recognition and scholarships. This means that some of the highest scoring students may win scholarship money. The PSAT test is a practice for the SAT and ACT and one of the starting points on the college admissions journey. It is a 2 hour 45 minute test that measures skills in evidence-based reading, writing and mathematics that are important for success in College.

For additional information regarding the test visit: www.collegeboard.org/psat. The cost will be \$16.00 per test. Limited fee waivers are available. A registration link has been sent to you through Schoology. Use the Schoology link or the link on the Park Center home page to express your interest in taking the test in October. If there is room 10th grade students can register as well, but their scores will not qualify for the National Merit Scholarship. If you are interested in taking the PSAT on October, 11, 2017, please sign up now. [Sign up form link](#) - Deadline September 15, 2017.

All junior students are encouraged to take the ACT or SAT test at some point during the year. The ACT will be offered one time free of charge to all juniors during the school in the spring, 2018. Date to be determine. However, students may take the test as many times as they would like by registering on their own at www.actstudent.org. Please see testing dates on page 10.

They can then request their transcript be sent electronically to a post-secondary institution, NCAA or an e-mail address. Transcripts will be processed within two school days with the following exceptions – week-ends, holidays, during processing of final transcript grades and two days before and three days after trimester end. Former students will be charged a \$5.00 processing fee for this service. Minnesota Career Information System (MNCIS) is a computer program provided by District #279 for use for all District #279 students and parents. MNCIS is a valuable tool that provides career, college, financial aid, and scholarship information. Students can take interest tests that match their interest and skills to occupations, and tests that provide practice for the ACT, SAT, PSAT, ASVAB, GED, CLEP and AP tests. The MNCIS website is at www.mncis.introcareers.org. The username is parkcenter and the password is pirates.

HEALTH SERVICES OFFICE

GETTING SICK AT SCHOOL

If a student becomes ill during the school day or an emergency arises, he/she should see the nurse **before** calling or texting a family member to pick them up at school. Before deciding to send a student home, often 20-30 minute rest, heating pad, or something to eat may be all that is needed to help them through the day. Once the nurse assesses a student and believes he/she would do better at home, a call is made to the parent/guardian. If the student has a fever over 100 degrees, home is the best place for the child until symptom-free for 24 hours.

MEDICATION AT SCHOOL

Over-the-counter medications such as Advil or Tylenol and prescribed medications can be kept in the health office for headaches, pain, and other conditions. Having medication at school can often mean the difference between a student finishing out the school day comfortably or missing valuable academic time. In order for medication to be taken at school, a Medication Form must be on file with the nurse. Forms are available at Student Orientation or in the Health Services Office.

MN IMMUNIZATION LAWS FOR HIGH SCHOOL STUDENTS

As of September 2014, Minnesota's Immunization Law now requires that students be vaccinated with the Meningococcal Vaccine (MCV4) by grade 7. This new law has implications for our students and especially for seniors who will be attending a college after graduation. Most colleges will require a MCV4 for enrollment. Medical and conscientious exemptions are still allowed under the law. All students in grades 7 through 12 should get this vaccine. Please contact your clinic for an appointment. If you have questions, please contact Elaine Forbes RN, LSN, District Nurse Osseo Area Schools at (763) 391-7126.

Independent School District 279 does not discriminate on the basis of disability. If you need auxiliary aids or services in order to participate in or attend a District activity, please contact us at least seventy two (72) hours in advance at (763) 569-7600.
