Welcome to Brooklyn Middle STEAM School!

Dear Parents/Guardians and Students,

Welcome to the 2019-20 school year at BMS!! We are excited for our students to return to us ready for another amazing school year. Receiving this calendar/handbook is the first sign to prepare for the upcoming year ready to learn as young citizens of our school community!

This calendar/handbook has many purposes: 1) Introduction of the staff members in the building; 2) Information regarding school wide events; 3) Academic and athletic information that middle school students can be involved in; 4) District policies and procedures; and, 5) Information regarding school and district guidelines that all students are to follow. This Parent/Student Handbook Calendar holds vital information for you and your student as they enter the secondary level. We ask that you please review these policies, student expectations and student behavior practices with your child. We want to ensure that all students feel safe and secure as they come to school. As partners in your child’s education, we rely on support, help and understanding. This is key to creating a positive learning environment for our children to learn, grow and have a positive secondary school experience at Brooklyn Middle School.

We believe in our district’s mission; “To inspire and prepare all students with the confidence, courage and competence to achieve their dreams, contribute to community and engage in a lifetime of learning.” We look forward to working with you and your child during the upcoming school year. On behalf of the staff at BMS, we believe in working together with a common purpose; the future success of our next great leaders.

Go Bulldogs!

ALL DATES AND EVENTS ARE SUBJECT TO CHANGE
THE SCHOOL DAY

LATE BUSES
Late buses are for those students participating in a school sport or activity, working with a teacher, or assigned an after school detention. Students suspended from their regular bus for behavior consequences or who leave school property MAY NOT ride the late bus. Buses depart promptly at 4:30 p.m. Route specifics are posted in the building, and distributed to staff and coaches. Middle schools only have late busses on Tuesday, Wednesday, and Thursday (no late busses on staff meeting days).

LUNCHROOM PROCEDURES AND BEHAVIOR EXPECTATIONS
Students may deposit as much money as they want into their computerized lunch account. The cashiers will notify students when the balance is low. Deposits by check must be made before the school day in the cafeteria. SEALED beverage containers may be brought into the building for consumption only during lunch. Glass beverage containers are prohibited.

Students who use the lunchroom, whether or not they eat, are asked to share responsibilities for keeping the lunchroom clean. Inappropriate behavior or refusal to cooperate in cleaning when asked to do so will result in consequences.

Students running to lunch, cutting in front of others, leaving their lunch tray on the table, arriving to lunch late without an excused pass, respond or behave inappropriately or cause a disruption will receive detention, an assigned seat during lunch, suspension and/or other consequences.

PARENT/GUARDIAN PICKING UP A STUDENT
Student safety is a priority. To ensure student safety, parents are asked to present a photo identification when picking up a student and signing him/her out of school. An adult not listed on the student’s record will not be allowed to pick up the student.

STUDENTS AFTER SCHOOL
Students remaining after school beyond the regular school day should be supervised by a teacher, counselor, coach or administrator. Arrangements should be made for a parent/guardian to pick up the student at the end of the activity period.

TARDIES
Students who arrive at school late must report to the office for an admit slip. Students must have an approved excuse or it is unexcused. A third unexcused tardy will result in make-up time and parent notification. An unexcused tardy of one hour or more is considered a truancy. The office will assign consequences for truancies. Teachers assign classroom consequences for being tardy to class.

VISITORS
No general visitors will be allowed to accompany students. To ensure student safety, and to minimize classroom disruptions, a legal parent or guardian is required to give the school 24 hours notice and present a picture ID to visit a classroom or student.

VOLUNTEER PROGRAM
The mission of volunteer involvement in ISD 279 is to build community, support student success and inspire people to excel by encouraging parent, student, and community involvement through meaningful volunteer work in our schools.

We want to THANK our parents, grandparents, and members of the community for their continued support! Volunteers are an important asset to our community.
Volunteers continue to support the educational process through the contribution of their time and talents. You can volunteer at your child’s school by contacting our Volunteer Coordinator. Contribute your time and talents through:

- Tutoring
- Classroom Assistance
- School Events
- Field Trips

Schools recognize and support families and community members as participants in school programs by encouraging their roles in supporting, learning and honoring them as essential volunteers. We appreciate the support!
FAMILY/COMMUNITY OUTREACH INITIATIVES
Department of Educational Equity staff provide student support, family outreach and education, and collaboration with district and community resources to help all students and families access our schools and services. If you have questions, please call the Office of the Director of Educational Equity at 763-391-7248.

HEALTH SERVICE
District 279 employs a registered nurse in each school building. No student may leave school because of illness without permission from the school nurse. In case of an emergency, the school will make every effort to contact the parent/guardian. If the appropriate contacts cannot be made, the school will proceed with action deemed necessary for the welfare of the child.

Emergency Forms
Students under 18 years of age will not be released from school if ill or injured unless authorized by a legal parent/guardian or another adult designated by a parent/guardian. Please update emergency information annually and as changes occur.

Immunizations
According to MN state law, all students must be in compliance with state immunization requirements, be in the process of receiving the immunization series, or meet exemption criteria. Student immunization data is shared with ImmuLink, the Hennepin County immunization registry. This secure computerized registry makes immunization data available to schools and physicians. Parents may opt not to participate in the registry by calling 612-676-5100 or their school nurse for more information.

Medications
All medications, both prescription and over-the-counter, will be kept and administered in the school nurse’s office. A request for medication administration is required annually and shall include parent and physician signatures. Medication must be in the original prescription or manufacturers’ container. Students may carry and self-administer emergency medication (i.e., asthma inhalers and epi-pens) with specific written permission from the parent, physician, and school nurse.

POLICE LIAISON OFFICER
A police liaison officer has been assigned to the school to accomplish the following objectives:

- To establish positive attitudes of understanding, respect, and trust of police officers and the system of law enforcement.
- To assist students and their parents/guardians, along with school staff members, with problems and questions about the criminal justice system.
- To help young people avoid getting into trouble with the law.

Parents/guardians and students should feel free to contact the police liaison officer at 763-569-7700, concerning school or community problems.

STUDENT ACCIDENT INSURANCE
1. The district will provide the opportunity for families/students to purchase student accident insurance.
2. Insurance enrollment materials will be made available to students in each building.
3. The student/family will pay premiums or other charges directly to the insurance company.
4. The filing of claims and payment of benefits and/or claims will be the sole obligation of the insurance company and the individual.
5. The district or its employees will not become involved in the collecting of insurance fees, filing claims, or payment of benefits.

Our school community supports School Board Policy #504: Student Dress and Appearance, which states that:

A) The responsibility for the appearance of the student rests with the parent/guardian and student. They have the right to determine student dress providing that articles of attire are not destructive to school property, comply with requirements for health and safety, are not offensive, and do not interfere with the educational process.

B) The building administration has the authority to determine whether student attire is destructive to school property, fails to comply with requirements for health and safety, is offensive, or interferes with the educational process.

CHROMEBOOKS

Chromebooks provided to students are DISTRICT OWNED DEVICES and are for EDUCATIONAL PURPOSES ONLY. Students are expected to bring their district issued device to school every day to utilize in cooperation with their teachers to enhance their educational experience. It is the responsibility of each teacher to establish procedures and expectations for use of the digital learning devices in their classroom, and it is the responsibility of each student to follow those procedures and expectations. Students are advised to secure their digital learning and electronic devices at all times as we are not able to provide staff time to investigate lost or stolen items.

CELL PHONES AND OTHER ELECTRONIC DEVICES

In our learning environment it is important that students stay focused on their learning, not on items that can be distracting. Therefore; all other electronic devices, including cell phones and iPods, need to be turned off and put away when school starts at 8:10 a.m. until 2:40 p.m. Students may use their cell phones during lunch on a trial basis pending behavior. Any cell phone or electronic item used or heard by staff members outside of lunch will be confiscated, bagged, and sent to the administrative office.

- First offense: The item will be held until the end of the school day.
  Students may pick up their electronic device from the office at 2:40 p.m.
  Students need to sign for the return of the device.
- Second offense: The item will be unavailable (kept in the office, kept at home (per parent request), or check-in/check-out) to the student during the school day for 3 days including the day it was taken. Confiscated item will be returned to student.
- Third offense: The item will be unavailable (kept in the office, kept at home (per parent request), or check-in/check-out) to the student during the school day for 5 days and additional consequences may be assigned. Parents will be contacted by administration and the item may need to pick up the confiscated item from the administrative office.

A parent/guardian/other adult may pick up the confiscated item with a required meeting and an expectation that the device stays at home or with an agreed arrangement with administration. Students will have access to school phones to contact parents/guardians during the school day.

HONOR ROLL

An honor roll will be published each trimester to recognize students with outstanding scholastic achievement. The honor roll will be computed as follows:

1. Each letter grade will be given the following numerical value:
   
<table>
<thead>
<tr>
<th>Grade</th>
<th>Numeric Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td>B</td>
<td>3.0</td>
</tr>
<tr>
<td>C</td>
<td>2.0</td>
</tr>
<tr>
<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td>F</td>
<td>0.0</td>
</tr>
</tbody>
</table>
   
   B+ = 3.33  C+ = 2.33  D+ = 1.33
   A- = 3.67  B- = 2.67  C- = 1.67  D- = 0.67

2. The numerical values will be added together, then divided by the total number of the grades on the report card for the trimester.

3. If the grade average determined in no. 2 is 3.66 or greater, the student will be on the “A” Honor Roll. If the grade average determined in no. 2 is 2.66 or greater, but less than 3.66 the student will be on the “B” Honor Roll.

4. 6th and 7th grade music, art, PLTW and phy. ed. classes are calculated with a value of .5 credit in determining grade point average.

MID-TRIMESTER REPORTS

Student progress is assessed approximately mid-way through each trimester. Mid-trimester reports are sent home with the student. It is possible that a student may earn a satisfactory report at mid-trimester time, but an unsatisfactory grade at the end of the trimester if the quality of the work declines.

ONLINE GRADE ACCESS

Students will be expected to periodically review their academic progress via StudentVUE accessible from any Internet-connected computer. It is the responsibility of the student to maintain the security of his or her user name and password information. Attempts to tamper with other students’ accounts will result in discipline consequences.

REPORT CARDS

Report cards are sent home with the students approximately two weeks after the first two trimesters. Report cards will be mailed home after the third trimester. The middle schools follow the practice of withholding report cards until all books are returned and fines are paid.

STANDARDS-BASED GRADING

The School Board recognizes that in order to achieve its mission, communication of student achievement and progress must be meaningful, accurate, consistent and supportive of learning. It is the School Board’s position that a standards based grading system designed to accurately report student achievement of academic standards by providing consistency in grading practices across schools and classrooms, and aligning grading and reporting with standards-based instruction and graduation requirements supports student learning and provides the most meaningful, accurate and consistent communication of a student’s progress.

General Statement of Policy: Grading and Reporting Standards of Practice:

- Student academic grades will communicate academic achievement based on clearly defined academic performance standards
- Academic achievement will be separated from all other non-academic behaviors when teachers assign student grades
- Quality assessments and properly recorded evidence of achievement will be used when determining grades on student work
- Term grades will be determined in a manner that accurately represents students’ attainment of the standards and promotes student learning
- Teachers will involve students in the assessment and grading process throughout the learning cycle in an age-appropriate manner

SUPPORT SERVICES

CONTACTING TEACHERS

Should you wish to talk to one of your child’s teachers, call the school and leave a phone number and the time when you can be reached, or contact the teacher through e-mail. The teacher will contact you at his/her earliest availability. Information in regards to your child’s attendance, grades, assignments and much more can be accessed through ParentVUE. To sign up for ParentVUE contact the main office at 763-569-7700.

COUNSELING SERVICES

The counseling program helps students succeed in their academic and personal lives. Our goals are to provide support and understanding of the ups and downs of adolescence, help with educational planning, help prevent problems from becoming overwhelming, address chemical issues, and to assist in determining options and resources for problem solving.

SECTION 504 SERVICES

Section 504 is a provision of the Federal Rehabilitation Act that ensures access to a free and appropriate public education for individuals with a qualifying disability by prohibiting discrimination based on a disability.

A student may qualify for a 504 plan when the student has a mental or physical condition for which reasonable accommodations are necessary for the student to make progress in school.

Questions about Section 504 services should be directed to the appropriate school counselor or Student Services Secretary at 763-391-7073.

SPECIAL EDUCATION

Special Education programs and related services are provided to eligible students with disabilities at all grade levels and are based on the individual needs of students. Parents who suspect that their child may have a disability should contact a teacher, counselor, administrator or Special Education Building Coordinator. Each middle school has a Special Education Building Coordinator (SEBC) who coordinates the services in the Special Education Department. Counselors can provide additional information. At BMS, please contact Jennifer Fletcher, SEBC at 763-569-7700.

STUDENT/TEACHER CONCERNS

If a parent/guardian and student have a concern regarding a teacher or coach, it is expected the parent/guardian will contact the teacher or coach and share the concern with them. This will give them the opportunity to respond to your concern and resolve the conflict. If concerns remain after contacting the teacher or coach, contact your child’s counselor or a building administrator.

ATTENDANCE PROCEDURES

ABSENCES: Attendance Line 763-569-7716
If your child is absent from school, please call the school with the reason for the absence. The telephone call eliminates the need to send a note with your student when he/she returns to school. We would appreciate having the call between the hours of 7:00 and 9:00 a.m.
When the parent/guardian does not call the school, the school may attempt to reach someone at home or at work. It is the parent’s responsibility to furnish the school within three school days the reason for their child’s absence, otherwise the absence will be considered truant.

The Hennepin County Attorney’s Office identifies reasons which a court would not find as “lawful absences,” as including missed bus, no clean clothes, staying at home to baby-sit younger siblings, oversleeping, or chronic medical excuses without a doctor’s statement.

APPOINTMENTS
A parent/guardian must send a note excusing their student from school for appointments. The student must bring the note to the office before school to get a blue pass and then sign out at the time of leaving. A parent/guardian is required to come into the office to sign out their student at the time of leaving. A photo ID will be requested in order to remove a child from school. The student must sign back in when returning to school.

CHANGE OF ADDRESS/PHONE NUMBER
Parent/guardian should notify the school office as soon as possible concerning changes in home/work/cell phone numbers and/or address.

CLOSED CAMPUS
The middle school is a closed campus. Under no circumstances may any student leave school property after arriving without parent/guardian permission and office sign out. Any student leaving campus without authorization who returns to the building may be searched.

EXTENDED STUDENT ABSENCE
Contact the school office and teachers to make prior arrangements for homework for any extended student absence.

HOMEWORK REQUESTS
If your child has been absent for three or more consecutive days, you may call the office and request homework. It may be picked up after school on the following day. This request is to be made through the main office or your child’s counselor.

PARENT/GUARDIAN ABSENCE
If parent/guardian will be away from home and the student will be under the supervision of another person, parents/guardians are asked to call or send a note to the office giving the dates they will be away, the name of the person with whom the student will be staying, along with telephone numbers where this person may be reached during the school day.

THE LAW
The state of Minnesota requires that all children between the ages of six and sixteen attend school every day that school is in session.

TRUANCY
Truancy is being absent from school or class without the approval of the building authorities. The authority to decide whether an absence is excused or unexcused rests with the building principal. There are no authorized skip days.

WITHDRAWALS/TRANSFERS
Parent/guardian of students transferring to another school are asked to notify the office at least three to five days before their student’s last day of attendance. The student should report to the counseling office on the morning of his/her last day of attendance to pick up a withdrawal form which teachers must sign.

### MIDDLE SCHOOL HOUSE LEAGUE PROGRAM

Our middle school house program is a noncompetitive after-school athletic program designed to provide middle school students with a system-sponsored entry level sport opportunity. Each year, each middle school has an opportunity to create two house league programs during the academic year—one for boys and one for girls. Be sure to look for posters and listen for announcements for the House League program information. All students are invited to participate.

### DECLARATION FOR PARTICIPATION

All 7th and 8th grade students must participate in programs at the senior high school assigned to their residence.

COMMUNITY-SCHOOL FUNCTIONS
Community Park and Recreation Departments handle many functions within the middle school building after the normal school day such as swimming, dances, co-recs, etc. If you have a question, please do not call the middle schools. For information call the Parks and Recreation Departments of Maple Grove (763) 494-6500; Brooklyn Center (763) 969-3400 or Brooklyn Park (763) 493-8333.

CANINE SEARCHES
As one of many tools we use to keep our school safe, the schools are working in conjunction with local law enforcement to have trained dogs randomly search student lockers and the school building during and after school hours. If a dog identifies a locker as having a prohibited item in it, the locker, its owner and his or her possessions will be searched.

CRIMINAL HISTORY BACKGROUND CHECKS
Osseo Area Schools is committed to maintaining a safe and healthy environment in the school district in order to promote the physical, social, and psychological well-being of its students. To that end, the school district will seek a criminal history background check on all individuals who are offered employment in a school and on all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to a school, regardless of whether any compensation is paid. The school district may also decide to seek a criminal history background check on any individual who seeks to enter a school or its grounds for the purpose of serving as a school volunteer or working as an independent contractor or student employee.

INTERNET ACCEPTABLE USE AND SAFETY
Electronic information research skills are fundamental to preparation of students as citizens of the world. The school district expects that faculty will blend thoughtful use of the school district computer system and the Internet through the curriculum and that they will provide guidance and instruction to students in their use.

Use of the district’s network/internet resources is intended only for educational and informational purposes, such as research, professional development, instruction and collaborative education projects.

The use of the school district system and access to the use of the Internet including electronic communication is a privilege, not a right, used within District Policies 524 and 441. Consequences for students who fail to abide by Policy 524 - Internet Acceptable Use and Safety will be included in the building discipline procedures required by Policy 506 - Student Discipline. Infractions by students will also be referred to legal authorities when appropriate.

Ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using network/Internet resources. While the school will monitor student network/Internet use as closely as possible, the school cannot guarantee that students will not independently access network/Internet resources. If parents/guardians do not want their student to access network/Internet resources in school, they must notify the principal in writing.

LOCKERS
Each student will be assigned a hall locker. Students are urged NOT to bring expensive items to school; personal items are not covered by school insurance. Students should keep their lock combinations to themselves. Students are to use only their assigned lockers and are responsible for the contents as well as keeping it clean inside and out.

School lockers are the property of the school district. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by school authorities for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practical after the search of a student’s personal possessions, the school authorities must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials. (M.S. 121A.72 Subd.1 and Policy 502).

LOST AND FOUND/THEFT
Lost and found will be located in the main office. Students should report both lost and found items immediately. Please complete a lost and found/theft report in the office.

NOTICE OF USE OF HAND-HELD METAL DETECTORS
Weapons are prohibited on school property by Board policy and State and Federal law. When there is reasonable suspicion that someone is in possession of a weapon on school grounds, the administration is authorized to use hand-held metal detectors as a method of searching for those weapons.

PHYSICAL EDUCATION EXCUSE POLICY
Types of Excuses:

- EXCUSES FOR 1 TO 3 DAYS - Minor injuries and ailments require a written note from parent/guardian. These notes ARE NOT taken to the health specialist, but are given to your physical education instructor at the BEGINNING OF YOUR CLASS.
- EXCUSES FOR MORE THAN 3 DAYS - You must obtain a written excuse from your doctor and have it signed by the school health specialist before giving it to your physical education instructor. Excuses of this kind will require an alternative project or assignment.

If there is a question about the validity of the note or about the number of days excused, the instructor may send you to the health specialist for verification with parent/guardian.

PHYSICAL EDUCATION UNIFORMS
Physical Education teachers will share information with their students regarding the type of clothing needed for physical education and swimming.

PLEDGE OF ALLEGIANCE
Anyone who does not wish to participate in reciting the Pledge of Allegiance for any personal reasons may elect not to do so. Students must respect another person’s right to make that choice.

SKATEBOARDS/ROLLERBLADES
Skateboards/rollerblades may not be used in the building or on school grounds.

SALES IN SCHOOL
   No individual student or organization, public or private, charitable or otherwise, may use the school to sell literature or products for a profit. The only exception to this rule is the sale of items by the school's organizations to raise funds specifically for the organization.

SCHOOL CLOSING ANNOUNCEMENTS
   The decision to close school is made prior to the time the first bus leaves for senior high routes (6:00-6:30 a.m.) School closing announcements are made on WCCO AM 830; KSTP Channel 5, Fox Channel 9, KARE TV Channel 11, and Northwest Community TV - Cable 12. You can also find information on the district website.

SEARCHES
   For reasons of health, safety, or suspected criminal activity, students may be asked to empty pockets, purses/bags, and/or remove shoes and socks.

SIGNS, POSTERS, LITERATURE

All posters/signage should be initialed by an administrator or building secretary. Public school buildings may not be used to promote the interests of any commercial or non-school agency. (See District Policy #905)

POLICIES

DISTRICT POLICIES
   The Board of Education decides the policies or “laws” by which the district is governed. The policies, procedures, and guidelines are available to parents and students upon request in the school office or District Web site. Policies of particular interest to the middle school age include; Attendance No. 503; Student Records No. 515; Student Discipline No. 506; Bullying No. 514; Wellness No. 533; Student Dress No. 504; Chemical Use/Abuse No. 541; Transportation of Students No. 707; Harassment and Violence No. 548; Student Lockers No. 502; Expulsion No. 551; Student use of Network/Internet Resources No. 524.

TELEPHONES
   Office telephones are for business only. They SHOULD NOT BE USED FOR PERSONAL CALLS EXCEPT IN CASES OF EMERGENCY, and then only with consent of someone in the office. Students WILL NOT BE CALLED FROM CLASS TO ANSWER THE TELEPHONE EXCEPT IN AN EMERGENCY. A courtesy phone is available for student use.

TRESPASSING
   Presence at any school location without permission from the staff of that school (students are not to go into other district buildings without permission from the staff of that building) is trespassing. Admitting others through a locked or secured door without permission of school personnel is permitting trespassing. School administration and/or police will respond to incidents of trespassing.

USE OF SCHOOL FACILITIES BY STUDENT GROUPS
   Any student club or group may use school facilities for meetings provided, the student club or group has: 1) an identified staff member who provides supervision for disciplinary and safety reasons only and 2) the student club or group has registered with the Principal. Such student clubs or groups may utilize school facilities during non-school hours (i.e., before the school day begins and after the school day ends) based upon availability. Only those student clubs or groups that are associated with the subject matter of a regularly offered course, or a course soon to be taught, or concerns the body of courses as a whole, or where participation in the club or group is required for a particular course or results in academic credit, may seek approval from the Principal to meet during school hours. The Principal may deny approval where the student club or group does not meet the aforementioned criteria, the intended meeting time is disruptive to instructional activity, or space is not available. All school policies, procedures, rules, and regulations are in effect during the meetings of all student clubs or groups.

Independent School District 279 does not discriminate on the basis of disability. If you need auxiliary aids or services in order to participate in or attend a district activity, please call your local school or the school district through Minnesota Relay Service (TTY/TDD) 1-800-627-3529 at least seventy-two (72) hours in advance (two-week advance notice preferred).

Policies (continued)

BULLYING PROHIBITION
The purpose of this policy is to assist the school district in its goal of preventing and responding to acts of bullying, intimidation, violence, and other similar disruptive behavior. A safe and civil environment is needed for students to learn and attain high academic standards and to ensure a healthy school climate. Bullying, like other violent or disruptive behavior, is conduct that interferes with students’ ability to learn and teachers’ ability to educate students in a safe environment. It is the school district’s intent to prevent bullying and to take action to investigate, respond, remediate, and discipline those acts of bullying which have not been successfully prevented. In compliance with MN Statue 121A.0695 – Bullying Prohibition Policy, the district prohibits any act of bullying by any individual student or group of students.

It will be a violation for any student, employee, or agent of the district to bully a student, employee, or agent of the district through conduct or communication in person or through misuse of technology (cyber-bullying) of a bullying/intimidating nature as defined by Procedure 514 – Bullying Prohibition. It will also be a violation for any student, employee, or agent of the district to engage in bullying conduct at any time or place that interferes with or obstructs the mission or operations of the school district by affecting the safety or welfare of the student, other students, or employees. This policy applies not only to students who directly engage in an act of bullying, but also to students who, by their indirect behavior, condone or support another student’s act of bullying.

CHILD ABUSE POLICY
In accordance with Minnesota State Law it is the policy of District 279 to protect children by requiring the reporting of suspected physical abuse, sexual abuse, or conditions of neglect involving minor children whether occurring in the home, school, or community.

Minnesota Statute Section 626.556, Subd. 3
“A professional or his delegate, who is engaged in the practice of . . . education, who has knowledge or reasonable course to believe a child is being neglected or physically or sexually abused, shall immediately report the information to the local welfare agency, police department or the county sheriff . . .”

EQUAL OPPORTUNITY POLICY
ISD 279, in compliance with current state and federal statutes and regulations, and in recognition of its obligation to provide equal opportunity for education and employment for all persons within its jurisdiction, affirms that it will not discriminate on the basis of race, color, creed, religion, national origin, sex, age, marital or parental status, status with regard to public assistance or disability.

If you have any questions or concerns, contact the Human Resources Department, 11200 93rd Avenue North, Maple Grove, Minnesota 55369, (763) 391-7007.

TRANSPORTATION POLICY 707
The safety and comfort of all students is of primary importance.

STUDENT RIDERSHIP GUIDELINES
1. Take a seat promptly - move to window seat when possible.
2. Remain seated while on the bus.
3. Keep aisles clear of legs, instruments and/or other objects.
4. Talk quietly so that you do not bother others or distract the bus driver.
5. Do not tamper with safety or bus equipment.
6. Students are required to sit in their assigned seat.
7. Follow instructions of the driver.

Listed below are types of behavior included but not limited to those identified as unacceptable for bus ridership:
- Damaging bus property
- Abusive language
- Excessive noise
- Use/possession of weapon or look-alike device
- Use/possession of tobacco or chemicals

Any student who jeopardizes the safety and comfort of other bus students can lose the privilege of school bus transportation.

Building administration may set up a conference with the student or parents. Parents may be notified by phone, in person, or in writing. A pattern of minor infractions or a single major infraction of the rules will result in suspension of bus-riding privileges. Other school consequences may also apply. It is essential to enforce the rules to ensure your child’s safety and comfort.

Pupils are not allowed to make irregular changes in pickup or delivery stops such as to go home on the bus with a friend or for work, club, party, or social events. Questions regarding this policy should be directed to the Transportation Department at (763) 391-7044 in advance. School building officials can not give permission to change buses.

Musical instruments are permitted on the bus as long as the students can hold them on their laps. If the instrument is so large that it can’t be kept by the student, other provisions must be made to transport it. Skis, skateboards, breakable glass objects, unprotected skates or rollerblades, fishing poles, and animals/pets are not allowed.

Parents or guardians are responsible for reinforcing safe bus riding behavior with their children. Students may be videotaped on buses to maximize safety.

*These policies, procedures, and guidelines are available to parents and students upon request at the middle school offices or District website.

RISK MANAGEMENT

ACCESSIBILITY

The Americans with Disabilities Act (ADA) requires that we make our programs and services accessible to individuals with qualifying disabilities. A thorough evaluation was conducted for compliance with accessibility codes and guidelines and a transition plan was developed to improve accessibility. If you need auxiliary aides or services in order to participate in or attend a district activity, call your local school or the school district at least seventy two (72) hours in advance (two week notice preferred).

ASBESTOS

The asbestos Hazard Emergency Response Act (HERA) requires that each school district notify parents and employees annually regarding asbestos-related activities. In the fall of 1988, all of our school buildings were inspected for asbestos-containing materials by accredited personnel. Since that time, we have conducted periodic surveillance checks every six months and re-inspected our buildings every three years as required. This is done to ensure that the asbestos is properly maintained. Except for floor tile, most of the asbestos in our district is limited to non-public areas, such as mechanical rooms and above ceilings. When properly maintained, asbestos does not present a hazard. District 279 has limited its asbestos removal to areas where renovation or maintenance activities are planned. Management plans are on file and available for review in each building with asbestos-containing materials. Questions regarding this notice should be directed to the district’s Risk Management Coordinator at 763-391-7191.

BICYCLES/MOTORIZED VEHICLES

We recommend that students NOT ride expensive bicycles to school. Students are expected to lock bicycles in the racks provided. The school is not responsible for the safety of bikes. Middle school students are not to drive motorized bikes or cars to school.

BUILDING ACCESS AND SECURITY

For the safety of our students and staff, all exterior doors will remain locked during the school day, except for the main entrance. Visitors must sign in at the main office and obtain a visitor’s badge. Children will only be released to their parents or individuals authorized on the student’s emergency card/screen. Proof of identification will be required.

According to Minnesota Statute 609.605, subdivision 4, “It is a misdemeanor for a person to enter or be found in a public or non-public elementary, middle, or secondary school building unless the person –

1. is an enrolled student in, a parent or guardian of an enrolled student in, or an employee of the school or school district;
2. has permission or an invitation from a school official to be in the building;
3. is attending a school event, class, or meeting to which the person, the public, or a student’s family is invited; or
4. has reported the person’s presence in the school building in the manner required for visitors to the school.”

It is also a misdemeanor for a person to enter or be found on school property within one year after being told by the school principal or the principal’s designee to leave the property and not to return, unless the principal or the principal’s designee has given the person permission to return to the property.

CHEMICAL USE/POSSESSION

ISD 279 will not allow the sale/selling, distribution and possession of chemicals by students as it jeopardizes personal safety and interferes with the learning process.

No student, regardless of age, may possess, use, sell, distribute, and/or exchange illegal chemical substances, paraphernalia or other mood-altering chemicals which can hinder the student’s ability to learn or participate, and/or could cause damage to the student’s health. This prohibition is effective in school buildings, vehicles, and school contracted vehicles, on school property, and at school activities. “Use” is defined as drinking, sniffing, smoking, swallowing, chewing, injecting, or otherwise absorbing into the body such illegal or mood-altering substances. Look-alikes, example - Near Beer, are not permitted on school property or at school events. (See Policy #506 or Policy #541.)

Students apprehended using, possessing, selling, distributing and/or exchanging chemical substances will be subject to Policy 506 - Student Discipline, and treated according to existing school rules, including notification of law enforcement agencies and the application of school suspension and/or expulsion procedures.

SEVERE WEATHER PROCEDURES

Generally, you can expect that school will be held, even in severe weather. If school is held on a day you believe the weather is hazardous, you may keep your child home. Please call your school’s absence line to report the absence. The absence will be excused.

School Cancellation

District administrators consider the combined effects of snow, ice, and wind chill when determining if school will be held. If the National Weather Service predicts the wind chill to remain at or drop below -35°F (below zero), school may be canceled. We attempt to make the decision by 5:30 a.m. after surveying conditions, monitoring weather reports, and consulting with transportation vendors.

Early Release/Dismissal

Early dismissal is unlikely, due to the complexity of student transportation. However, if a storm worsens during the day, the superintendent may decide to close school early. Staff would attempt to make such a decision by 11 a.m.

- **Mid-day dismissal:** Lunch may be served and schools will be released in normal order, so older siblings are home first to await younger brothers/sisters.
- **Tornado warning or other severe weather:** Buses will not be loaded and students will remain at school.

ALL DATES AND EVENTS ARE SUBJECT TO CHANGE

To report your student absent, call (763) 569-7616
Late Starts
Due to the complexity of student transportation (e.g., students coming from other districts for magnet schools, homeless student transportation, and transportation to out-of-district special education programs), Osseo Area Schools currently does not offer late starts. At the time this handbook was published, however, the district was studying the feasibility of weather-related two-hour late starts. Families will be updated if late starts become an option.

Programs, Activities, Events
When schools close, all after-school and evening activities and programs are generally cancelled, as well, including extra-curricular activities and community education programs (youth/adult classes; preschool and Kidstop programs; adult basic education; early childhood). Privately sponsored activities scheduled through the school district’s facilities reservation department are also cancelled. The Kidstop Family Handbook describes pick-up procedures related to early dismissals.

COMMUNICATIONS
If school is canceled or dismissed early, we inform families as follows:

Telephone/email: We will call and/or email you using an automated messaging system. Please be sure to submit or update your contact information through your child’s school.

Online: Whenever possible, emergency information will be posted on the district’s website—www.district279.org—and the district’s Facebook page—www.facebook.com/OsseoSchools.

Broadcast: Information will be submitted to major radio and TV stations as “Osseo District 279.”

Please do not call your child’s school with questions during an emergency. The phone lines must remain open for emergency communications. If you need assistance, call the main district phone number: 763.391.7000.

PARENT/GUARDIAN RESPONSIBILITIES
• School emergency plan for your family: Make sure your children know what to do if school is cancelled. Do they know how to get into your home safely if school closes early?
• Student emergency contact information at school: Students will be released only to parents, guardians and authorized individuals listed on the student emergency cards kept in at school. Please keep this information current.
• Weather-appropriate clothing: Please send your child to school dressed appropriately for the weather, e.g. warm coat, mittens, hat, and/or boots. Your child will be expected to go outdoors during evacuations, so appropriate clothing at all times is expected.

EMERGENCY PREPAREDNESS
Osseo Area Schools has a comprehensive emergency plan developed with the help of local law enforcement, emergency management, and public health officials. Drills are routinely held in all district buildings to prepare students and employees for emergencies.

The emergency plan is based on an “all-hazard” approach that incorporates four universal response actions that can be implemented quickly. In the rare event of an emergency, the school principal or a district administrator will implement one of the following actions as needed:

• Evacuation: All students and staff will exit the building. If the school grounds are not safe, students may be relocated to another site.
• Shelter In Place*: All students and staff will move into the building. Exterior doors and windows will be locked and public access to the school will be temporarily suspended. If a potentially hazardous substance has been released into the environment, ventilation systems will be temporarily disabled to keep out contaminants.
• Lockdown*: All students and staff will secure their areas by locking doors and windows. Public access to the school will be temporarily suspended.
• Severe Weather Shelter: All students and staff will be moved to designated shelter areas within the building. If severe weather strikes during dismissal, buses may be delayed.

*During a shelter in place or lockdown, building access will be restricted to the public, including parents. Once the emergency response action has been lifted, you will be allowed to enter the building.

FIRE DRILLS
According to Minnesota State Law, schools must have fire drills. It is therefore important that students follow the fire drill guidelines each time the alarm is sounded.

The guidelines are:
1. Leave the building immediately according to the directions posted in your area. Stay with your teacher and class. Students should exit the building quietly.
2. Once out of the building, remain 100’ from the building until the all-clear signal is given.
3. If the alarm rings during lunch time, leave the cafeteria immediately, leave the trays on the tables. When you return to the cafeteria, finish your lunch and bus your tray.

RISK MANAGEMENT (continued)

FOOD AND BEVERAGE ITEMS
State Health Department guidelines do not allow students to share home baked/prepared food items or beverages with other students at school. Please be aware that some individuals may have food allergies. Beverages, food, and candy are allowed in the cafeteria only. Food from outside vendors will not be allowed during the lunch day.

HALLS
Injury can result when students run, push, shove, play fight, horse play, or trip other students in the halls or on the steps. Appropriate behavior is expected while students are in the hallways at all times. It is important that students walk slowly and follow the traffic patterns of the halls, as well as follow the stairwell directional pattern. Keep hands, feet, and objects to yourself. Students must have a pass while in the halls during class.

INDOOR AIR QUALITY
The district has established an Indoor Air Quality (IAQ) Management Plan that includes procedures for maintaining good air quality in our buildings. The plan includes forms for reporting concerns that may be related to air quality. Building staff will conduct an initial investigation. If the problem remains unresolved, the district Risk Management Department will follow up and perform testing as needed. Questions should be directed to the principal or the district’s Coordinator of Risk Management at 763-391-7191.

Because of potential health implications for our students with allergies and asthma, animals are not allowed in school without permission from the principal. We need to make sure that no students in the affected area will be negatively impacted by the animals first. Certified therapy dogs will be permitted no more than three days per week.

LATEX-SAFE SCHOOLS
To safeguard the health of students and staff having latex allergies, the District has taken steps to minimize exposure to natural rubber latex. No latex balloons are allowed, except when used for curriculum purposes with prior approval from the principal. Students with latex allergies should notify the Health Services Specialist at their school so that accommodations can be made.

PESTICIDE APPLICATION NOTICE
A Minnesota state law requires schools to inform parents and guardians if they apply certain pesticides on school property.

Specifically, this law requires schools that apply these pesticides to maintain an estimated schedule of pesticide applications and to make the schedule available to parents/guardians at each school office. Parents/guardians may also receive, upon request, prior notice for pesticide applications made on days other than those specified in the estimated schedule. State law also requires that parents/guardians be told the long-term health effects on children from the application of such pesticides or the class of chemicals to which they belong may not be fully understood.

If you have any questions regarding pesticide applications contact your child’s school or please stop by the school office.

SCHOOL SAFETY DRILLS
Each middle school will conduct a minimum of three lockdown drills, five evacuation, two shelter in place and two severe weather safety drills per school year.

SCHOOL SAFETY
School needs to be safe, orderly, and conducive to teaching and learning. School is a public place and all the laws, social norms, and common sense rules of public behavior apply on school property.

Osseo Area Schools takes a decisive stand on aggressive behavior and on the possession, storage, transmission and/or use of weapons or look-alike weapons. School administration will recommend expulsion if a student is involved with a weapon or lookalike weapon.

Any student observing a dangerous, harmful, threatening, suspicious, or frightening situation should report it to an adult immediately. We are all responsible for a safe and orderly school.

TORNADOES
In the event of a tornado warning while school is in session, all students will stay at the school until the all-clear is given.

TIP LINE
The district has established a tip line for students and parents to report bullying, weapons, drugs and violence. Callers can leave messages anonymously. If you have information regarding something that may happen or an incident that has already occurred, please call 763-391-8660 to report it. You may also complete an anonymous Tip Line form on the district website. All messages will be forwarded to the principal or administrator.

TOBACCO FREE SCHOOLS—Policy 419
The district prohibits the manufacture, distribution, dispensing, transfer, possession or use of any defined prohibited drug while on school property, in school vehicles, or while accompanying students on school affiliated activities.

The use of alcohol and/or tobacco including e-cigarettes is prohibited for all persons within all school buildings, in school or contracted vehicles, or on school grounds during all hours of every calendar day. The prohibition applies to all students and adults.

These policies apply at all times at any school-sponsored event, on or off campus while students are under staff supervision.

WEAPONS
Weapons and look-alike weapons are strictly prohibited. (See page 32-33).

WELLNESS
This is a required policy according to Federal Public Law 108-265 (2004) § 204. Nutrition education and physical education are important components of the educational process, and good health fosters student attendance and learning. The school environment should promote and protect students’ health, well-being, and ability to learn by encouraging healthy eating and physical activity. The school district encourages the involvement of students, parents, and staff in implementing, monitoring, and reviewing school district nutrition and physical activity policies. Students need access to healthy foods and opportunities to be physically active in order to grow, learn, and thrive. All students in grades PK-12 will have opportunities, support, and encouragement to be physically active on a regular basis.
STUDENT RECORDS AND YOUR RIGHTS

School Board Policy #515 - Protection and Privacy of Education Records, outlines the collection, security, storage and release of student information as required by State and Federal laws. The school district must obtain and use information about each student to plan the best education program and ensure the rights of each student and parent/guardian to privacy. Therefore, access to information by third parties is controlled.

The Superintendent of Schools, who has overall responsibility for student records, delegates the day-to-day responsibility to administrators in charge of each elementary and secondary school and to certain District personnel.

**Student Data:** Student data is classified as public, private or confidential.

**Directory Information:** Directory information is public data that may be disclosed in the form of class lists or other lists. Directory information does not include any personally identifiable information. School Board Policy 515 designates the following student data as directory information:
- student's name
- student's address
- date of birth
- school of attendance
- grade(s) completed
- dates of attendance
- degrees and awards received
- participation in officially recognized activities/sports
- weight and height (if a member of a team)
- photograph

**Denial of Release of Directory Information:** A parent/guardian of a student or an eligible student may object to the designation of the above information as directory information and may notify the building principal in writing using Appendix C of School Board Procedure 515. Appendix C may be obtained from any school office or the district website. Designation of directory information to private is in effect for one year or until modified, whichever comes first.

Requests for directory information are made in writing to the Coordinator of Information Systems, 11200 93rd Avenue North, Maple Grove, MN 55369, 763-391-7000.

**Private Data:** In general, all documents and verbal student information is private data and cannot be released by school district employees to the public. “Members of the public” include most school district employees, and students and their parents who are not the subject of the data.

**Accessing:** A student or parent may gain access to his/her own private data, but there are expeditions listed in policy/procedure 515. School district employees may gain access to this data if they have a legitimate educational interest in the information, or the information will provide effective, educational-related services to the student or parent.

**Collecting and using:** The school district employee must inform the student or parent of the purpose, intended use, obligation to provide or consequences of failing to provide the data, and to whom the information may be disclosed. This requirement is met by providing a Tennessee Notice to the student and/or parent.

**Storing:** Private data must be maintained in a secure manner. District employees who have private educational data must take precautions to ensure that the data are inaccessible to anyone who does not have authority to access it.

**Sharing:** Limited instances when private information may be released include sharing oral information and written documentation. If you receive a request to release private educational data, go to your principal or administrator for assistance in compliance with the law and school board policy. Employees who violate this policy may be subject to discipline—including termination and civil/criminal penalties.

**Confidential Data:** Confidential data is data which state statute or federal law has declared not public and not accessible to the student and/or his/her parent/guardian. This includes, but is not limited to:
- reports of child abuse and neglect;
- individual student data received from outside agencies which the agency has classified as confidential and is classified as confidential by State statute or Federal law; and
- chemical abuse data collected by a licensed alcohol and drug counselor.

**Release of Information to Military Recruiters:** Federal and State laws require all school districts to provide military recruiters, upon request, with the name, address, and telephone number of all 11th and 12th grade students unless the parent or eligible student (students over 18 years old of authorization) requests that the information not be provided without written permission. Denial to release information to military recruiters may be completed by submitting Appendix D to school office by October 1st. The denial of authorization by parent/guardian or eligible student must be completed annually.

**Storage of Student Records:** Student records are kept secure in the school in which the student is attending. Records are kept in locked file drawers or secure computer systems except when used by employees of the District whose work assignments require access to the records. Records of students who withdraw or graduate will be kept at the school of attendance for one year and then sent to the Educational Service Center, 11200 93rd Avenue North, Maple Grove, Minnesota, for permanent retention.

**Transfer of Student Records:** When a student moves from one school to another within the District, the entire record will be checked for completeness and then be forwarded to the student's new school. When a student withdraws to enroll in another school district copies of the student’s records, including records of disciplinary action taken as a result of any incident in which the student possessed or used a dangerous weapon, suspension and expulsion information and, if applicable, data regarding a student’s history of violent behavior will be forwarded to the student’s new school. Written permission of the parent/guardian is not necessary in the transfer of records to a school in which the student intends to enroll. Parent/guardian may request a copy of the records transferred and may challenge the content of the transferred records in accordance with Section H of Procedure 515.

Questions concerning student records should be directed to the District Compliance officer, at (763) 391-7000.

**Statement of Rights:** Parents/guardians and eligible students have the following rights under the Family Educational Rights and Privacy Act, (FERPA).

1. Inspect and review the student's records;
2. Seek amendment of the student’s education records that the parent or eligible student believes to be inaccurate, misleading, or otherwise in violation of the student’s privacy rights;
3. Consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA and its regulations authorize disclosure without consent; and;
4. File with the U.S. Department of Education a complaint concerning alleged failures by the educational agency or institution to comply with the requirements of FERPA.

This is a summary of the “Statement of Rights.” The entire statement is Appendix A in Procedure 515 Protection and Privacy of Education Records.

2. If personal safety is an issue, go to the nearest adult. Tell them you need help and are not feeling safe.
3. On-going problems should be reported to a counselor or administrator. Be aware of the date, time, and location of the incident. This information will help in the investigation.

STUDENT BEHAVIOR PLAN (continued)

Physical assault: when one or more persons attack an individual who does not physically retaliate; intentionally causing or attempting to cause harm to another individual. Intentional assault of a staff member or a group assault will result in a recommendation for expulsion. Instigation/Encouragement of fights/assaults will also result in school consequences.

Sexual Harassment: unwelcome sexual advances, requests for sexual favors, sexually motivated physical contact, or other physical or verbal conduct or communication of a sexual nature.

Sexual Violence: physical act of aggression or assault upon another person that includes a sexual act or sexual purpose or other illegal or inappropriate sexual conduct.

Tobacco: possessing or using tobacco, including electronic cigarettes on school property or trespassing on adjoining property to use tobacco. A tobacco violation will result in school consequences and a police referral.

Truancy: one period or more of unexcused absence from class.

- All firearms, whether loaded or not
- Other guns of all types including, but not limited to, pellet, air soft pellet, B-B, paintball, non-functioning or toy guns

Students are expected to report harmful, threatening or suspicious situations to an adult immediately. Failure to do so may result in disciplinary action.

A student who finds a weapon on the way to school or in the school building and immediately takes the weapon to any staff member or to the principal’s office will not be considered in possession of a weapon.

DESCRIPTION OF CONSEQUENCES

It is our philosophy that the consequence and corrective action taken be appropriate, fair, and result in ending the behavior.

Parent/guardian involvement encourages appropriate behavior. Discipline consequences may be given by a staff member or for more serious offenses by the administration. Parents are not contacted for each infraction, but will be notified for in-school suspension or out-of-school suspension. Parents, check with your child regularly about his/her behavior.

Consequences may include but are not limited to: meeting with the teacher/counselor/principal, detention, loss or restriction of school privileges, including suspension from extracurricular activities, parent conference with school staff, modified school programs, referral to school support services, referral to the legal system, referral to law enforcement, restitution, removal from class, dismissal for one day or less, suspension, alternatives to suspension including, but not limited to community service and Saturday school, expulsion or exclusion, other disciplinary action as deemed appropriate by the school district. Response will vary due to severity and frequency of offenses.

Detention is a supervised study period before, during (lunch) or after school assigned by a teacher and/or principal. Out-of-school suspension means the student is not to be on any school property during the suspension. A parent conference will be required before reentry to school.

Expulsion is action by the school board to prohibit an enrolled student from further attendance for a period of time.

Consequences may include, but are not limited to the following:

ADMINISTRATIVE DISMISSAL

Any removal of a student from school for one day (24 hours) or less will be considered an administrative dismissal. Administrative dismissal prohibits a student from being in school, on school grounds, or at a school sponsored event for the day. A parent conference may be required before the student is readmitted to school.

ALTERNATIVES TO SUSPENSION (ACTIONS TOWARD SUCCESS—ATS)

Alternatives to suspension is an intervention to reduce the need for suspension as a response to disciplinary incidents. Alternatives to suspension include: Diversion program, community service and restitution.
DESCRIPTION OF CONSEQUENCES (continued)

BEFORE/AFTER SCHOOL EXCLUSION
Being in the school before and after school requires proper behavior and certain guidelines.
Problem students will be excluded from early/late privileges. Parents of such students will be notified by letter and trespassing charges will be filed if the exclusion is disobeyed.

CLASSROOM REMOVAL
Classroom teachers have the right to request removal of a student from class on a temporary basis, not to exceed five consecutive classes. An administrator will make the decision to remove a student. Students who are removed from class will be supervised and expected to work on assignments.

COMMUNITY SERVICE
Students will be assigned duties around the school to give back to the school community.

EXPULSION (Up to twelve calendar months)
Expulsion prohibits a student from attending any District 279 school for a prescribed period of time. No expulsion shall be imposed without a hearing unless the right to a hearing is waived in writing by the pupil and parent/guardian.

OFFICE DETENTION
Students are required to use detention time to study or work on school assignments. Office detention will be assigned by an administrator. Students who have been assigned repeated detentions may not receive additional detention for similar future infractions. In-School-Suspension or Alternative to Suspension may be assigned instead.

OUT-OF-SCHOOL SUSPENSION (OSS)
Out-of-School Suspension prohibits a student from being in school, on school grounds, or at a school sponsored event for a specific period of time. OSS will be assigned by an administrator. Homework will be provided for student make-up work if a student is out for 3 or more days. A parent conference will be required before the student is readmitted to school.

RESTITUTION
Students will make a payment to restore or make right on an incident that has caused a loss or damage.

TEACHER DETENTION (Before school, lunch or after school)
A classroom teacher may require a student to serve teacher detention before school, during lunch or after school for make-up work, behavior infractions, or class tardies.

TENENNSEN NOTICE
Occasionally (usually in the context of allegations of violations of school rules, behavior guidelines, or school board policy), school staff may need to interview students to gather information that would be helpful in an investigation.
Before those interviews are conducted, the staff member will give each interviewee a “Tenessen Notice,” which describes the purpose for collecting information, how it will be used, and the consequences of not providing information. Students also will be notified that they have the right not to respond to school staff members’ questions about their behavior. If a student wishes not to respond, however, the school staff member may consider the student’s refusal to be insubordination and subject the student to discipline.

NOTICE: OTHER WEAPON CONCERNS
Paint ball guns, air soft pellet guns, and look-alike/replcia firearms have the capability of doing great bodily harm.

DO NOT BRING ANY LOOK-ALIKE/REPLICA OR REAL FIREARM ON SCHOOL PROPERTY. POSSESSION OF A GUN ON SCHOOL PROPERTY WILL RESULT IN SUSPENSION AND A RECOMMENDATION FOR EXPULSION.

Minn. Statutes CRIMINAL CODE Section: 609.66, Sub. 1d. Felony; possession on school property. (a) Whoever possesses, stores, or keeps a dangerous weapon or uses or brandishes a replica firearm or a BB gun on school property is guilty of a felony and may be sentenced to imprisonment for not more than two years or to payment of a fine of not more than $5,000, or both.

OSSEO AREA SCHOOLS
ISD 279
Osseo Area Schools offers parents/guardians access to ParentVUE, an online service, that is easy to access and will enhance teacher/parent communication. ParentVUE provides parents with the opportunity to go online and find information about their child’s academic performance, schedule, attendance, food service account and transportation information. Users are able to view current academic progress reports and unofficial transcripts. It also allows you to subscribe to an email alert system that will automatically send an email when your child is absent. In addition, parents may use ParentVUE to update their phone numbers and e-mail address.

In order to take advantage of ParentVUE, a parent or legal guardian must present one of the following forms of personal identification: a valid driver’s license; a valid State identification card; or a valid passport.

With appropriate identification, you will receive your ParentVUE access key. This access key allows you to setup your ParentVUE account so you can gain access to your child’s academic information. Once you activate your account, you will have 24-hour access to attendance, current term schedule and academic performance. You will also have access to academic progress reports for your child. Due to data privacy, we are unable to mail your secure access key via mail.

**StudentVUE**

Students have access to StudentVUE too! Within the first two weeks of the start of the school year, all students will be given access to their attendance, schedule, transcript and grade book information online. **Students will be expected to periodically review their academic progress via StudentVUE online grading software, accessible from any Internet–connected computer or iPad.** This will give our students the opportunity to stay on top of their own attendance and classroom assignments.

It is the responsibility of the student to maintain the security of his or her user name and password information. Attempts to tamper with other students’ accounts will result in discipline following the Osseo Area Schools Internet Acceptable Use and Safety policy.

**ParentVUE IS ONLINE**    **StudentVUE IS ONLINE**

Please note that ParentVUE/StudentVUE requires a minimum web browser of Internet Explorer 5.5 (PC) or version 5.1 (Mac) or Netscape version 6.2 (PC and Mac) or a browser with similar capabilities.
The staff at your child’s school is dedicated to the total and continuous development of each and every student; therefore, if a student fails to satisfactorily complete specified curricular areas, he/she may be required to repeat courses in the areas of deficiency to insure future academic success. Furthermore, the staff recognizes the individual needs and differences of special education and Section 504 students and the modified curriculum and grading procedures mandated for those students identified in their individualized plans.

It is the responsibility of the student and parent(s)/guardian(s) to be familiar with these guidelines.

Options for making up failed courses in science, English, or social studies:
- Repeat 1 trimester in the area(s) of failure during the next school year.
- Pass an appropriate summer school class (at own expense); prior approval must be obtained from a building principal or counselor.

Options for making up a failed math course:
Due to the sequential nature of mathematics, a student who fails a math course will need to complete an appropriate math course to advance to the next math level.
- Failure of Math 6: repeat Math 6
- Failure of Math 7: repeat Math 7
- Failure of Math 8: repeat Math 8
- Pass an appropriate summer school class (at own expense); prior approval must be obtained from a building principal or counselor.
