You may choose to have your child participate in our FREE before or after school program this fall. We would love for your child to join us Tuesday, Wednesday and Thursday starting September 20 – May 25 from 2:45 – 4:30 pm. Transportation is provided. In this programming teachers will be working on academic skills, social skills, and specific skills aligned with Science, Technology, Engineering, Arts, and Math. See opposite side to choose the classes you would like your child to participate in. More classes may be added so keep checking our website for more exciting opportunities.
